Chuck
to a rotten
buddy, one of those
Greendale boys who
has it almost as
Franklin boys. Good
Chuck Dwyer
so sometimes I told
ya, and I don't really
know you. Sorry!!
Love the nude
in a punk sportscar

Chuck
Here hoping
you too will be a five
year man
Think of the
fun!
Pete Swenson

Oh!

Charley Don't Dave
Hope you graduate so you
can come back and keep
our company next year.
Lots of luck
Ed

To a whompen
good buddy, lots
of luck in the
future
Tom H. Clair
T. S. C.

Chuck,
I had alot of fun with you,
when you came to the beach,
I hope I see you in the
summer.

Diana
(Krunch)

Chuck
One of the boys
in Whitnall Park
Jan &

Chuck-
Good luck with
Mrase, try and see
if you can get her
to do it for nothing.

Jerri (Grand Rivs)

Chuck,
We have had
a lot of fun in gym
class this year, and
all the other years.
Best of luck
Cheryl

Chuck.
Good luck always
& Love fun
Marilyn

Chuck
Although you are
kick out of the gang,
you still a friend.
Steve Wocinski

Chuck,
Have fun with Janet
this summer but be
good and remember
me.
Joann

Chuck
Good luck always.
Love ya
Sandy

"Reserve"

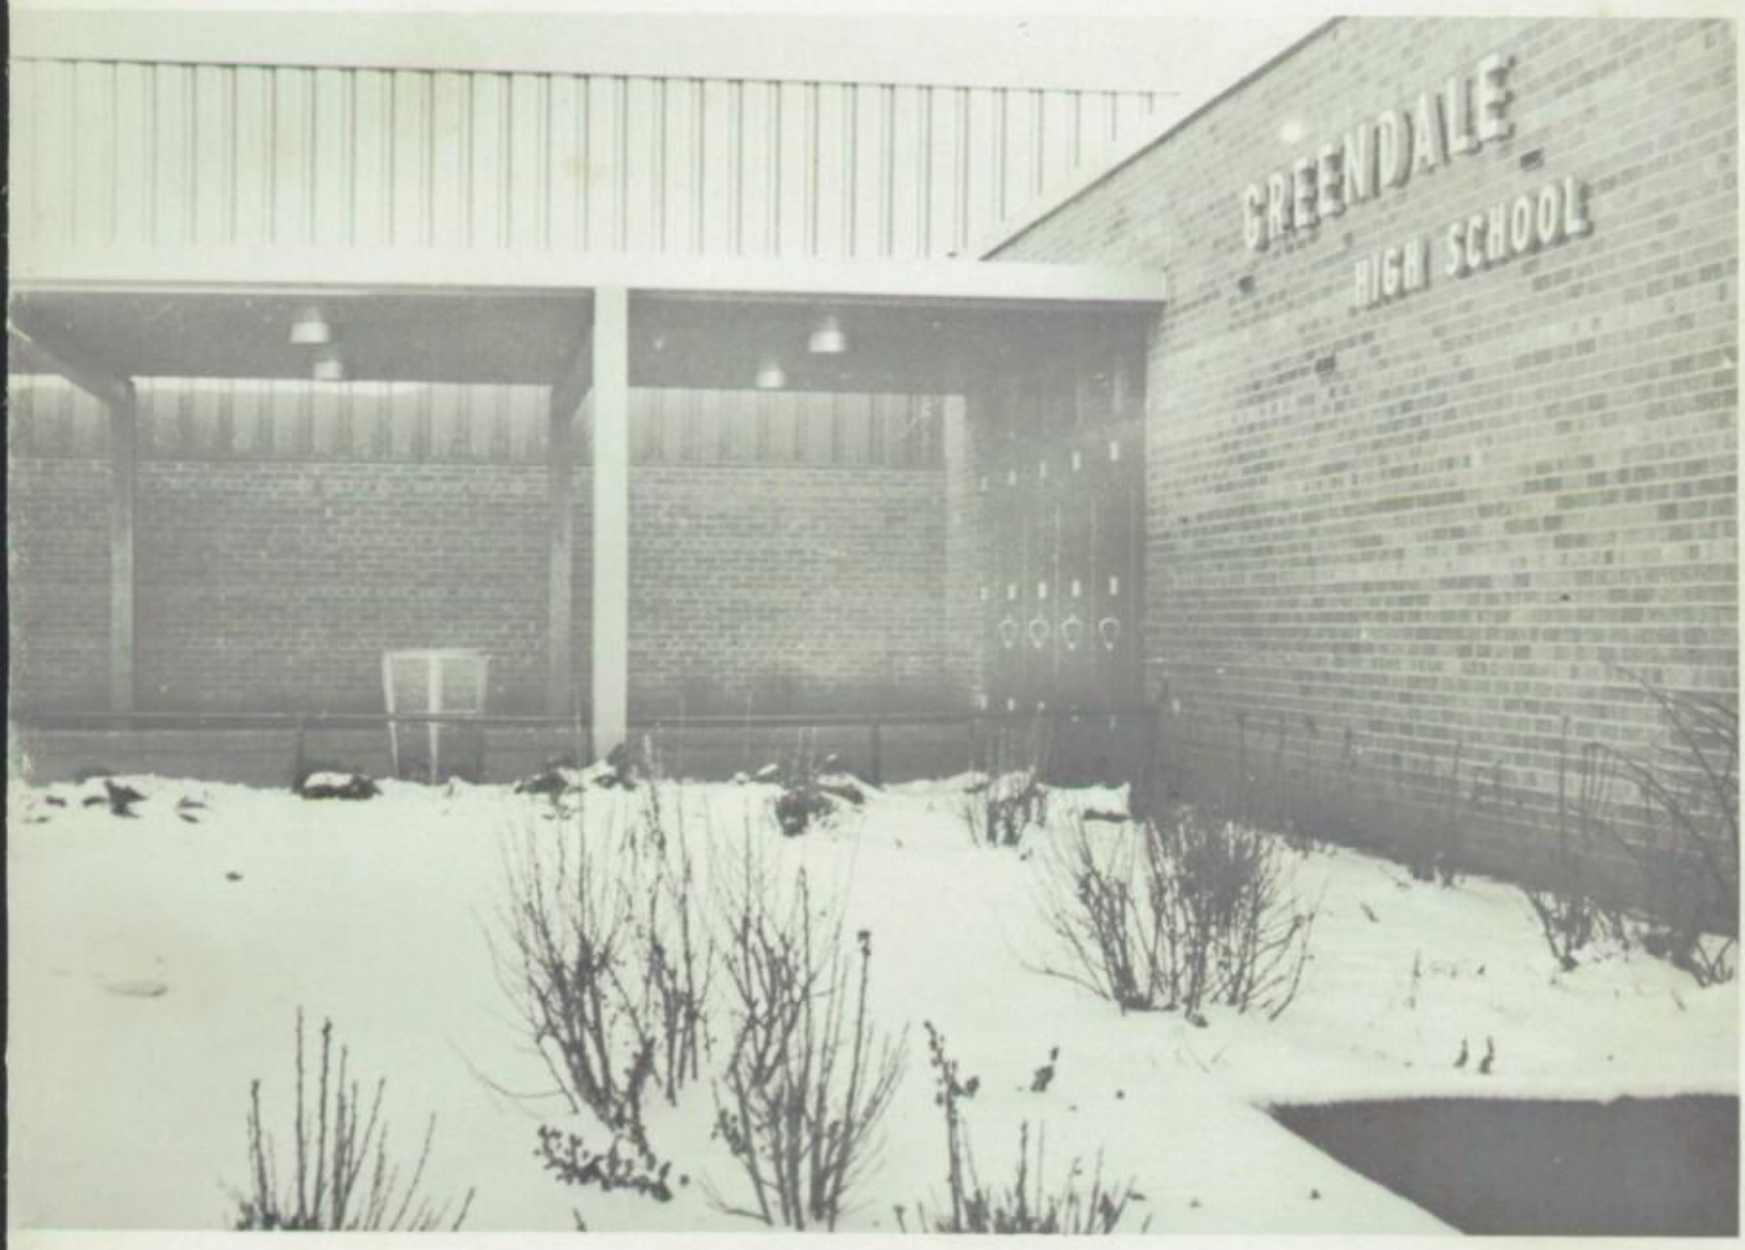
Hi Honey.

Well Chuck & really dont know what to write except that & wish you would have let me sign this last year like & was suppost too. & dont really know what to write because you already know how & feel about you (at least you should after a year and 3 month of going with me.) & we've had alot of fun in all that time and we also had some fights but the important thing is that we've stayed together because we love each other. Honey the only other thing & want to say is that I'm glad we're going together and & hope we'll keep on going together be. & really dont know what I'd ever do without you.

Love always,
Jan

"G.H.S. IN ORBIT"

I THAT DOUBT THIS YOU WILL REM) THA THAT - NOW STAND ME OF BUT CAN STAND A COUPLE OF YOU ABOUT SOME WIGHT. IT AW AND KNEW YOU AS LONG AS BEERS I KNEW GOOD). BE GLAD I DID - J. PAUL



1962 PIONEER

VOLUME THIRTEEN

GREENDALE HIGH SCHOOL

GREENDALE, WISCONSIN

GREENDALE '62

IN ORBIT

This year, as in previous years at Greendale High School, a new Annual Staff is presenting a new **Pioneer Annual** to you, the 1961-62 student body of G.H.S.

We, the 1962 **Pioneer** Staff, have put "G.H.S. in Orbit" by launching this book which contains memories of the past school year. We hope that you will rate this launching as "A–OK."

This year, Greendale "blasted off" from the Suburban Conference in sports and into the "orbital race" of the South Braveland Conference. Our Greendale teams gave much competition for the teams in this new conference.

The "academic orbit" was enlarged when new teachers joined the Greendale faculty. These teachers instructed and advised Greendale students as they "whirled through space" with studies and extra-curricular activities.

Greendale's busy "orbital flight" was shared and enlivened by its third foreign exchange student, Consuelo Lopez. Connie, our friend from the Philippines, fit in perfectly with our school and taught us much about her country. She proved to many of us that she enjoyed "G.H.S. in Orbit" and we certainly enjoyed having Connie along.

With the many familiar activities that performed smoothly at G.H.S. this year, we also find a new "rocket." The Girls' Club and the Pep Club fused in 1961 to become the Green Pep-ers.

It is now time for the "count down" for this year and we hope that as you read this book you will treasure it and remember all of the wonderful things about the 1961-62 school year when "G.H.S. was in Orbit." All controls seem to be set and the launching time has come, so this is your staff saying: "Roger, over and out. Happy landing!"

Extra work rates special honors

There are many students at Greendale High who work diligently to make this a better school. All of these students deserve special recognition for their hard work, but unfortunately this can't be done. Certain students are selected from the Junior Class as BADGER GIRL and BADGER BOY for their outstanding leadership in the school. Also. one student is chosen to be an A.F.S. representative for the summer in a foreign country. Special students chosen from the Senior Class are given awards of DAR GIRL and QUOTA CLUB GIRL. These are very worthwhile honors to receive and every student should work with these goals in mind.

KAREN REICHL, Quota Club Girl, and Maria Kutz, Daughter's of American Revolution Girl, were chosen because of leadership, character, service, and scholarship.

THE PURPOSE of Badger Boys' and Badger Girls' State is to educate Wisconsin's young men and women in the duties and responsibilities of American citizenship. Karen Reichl and Bob Bruett were chosen by the faculty, because of their scholastic and leadership abilities, to attend the summer session at Badger State sponsored by the American Legion.

MARY MUNGER and Connie Lopez explore the globe of the world. Mary spent eight weeks in Germany as an American Field Service representative and Connie spent the 1961-62 school year at G.H.S.

COUPLES DANCE at one of the "Friday night dances" held in the high school.

MANY STUDENTS wore colorful costumes at the annual Halloween dance.

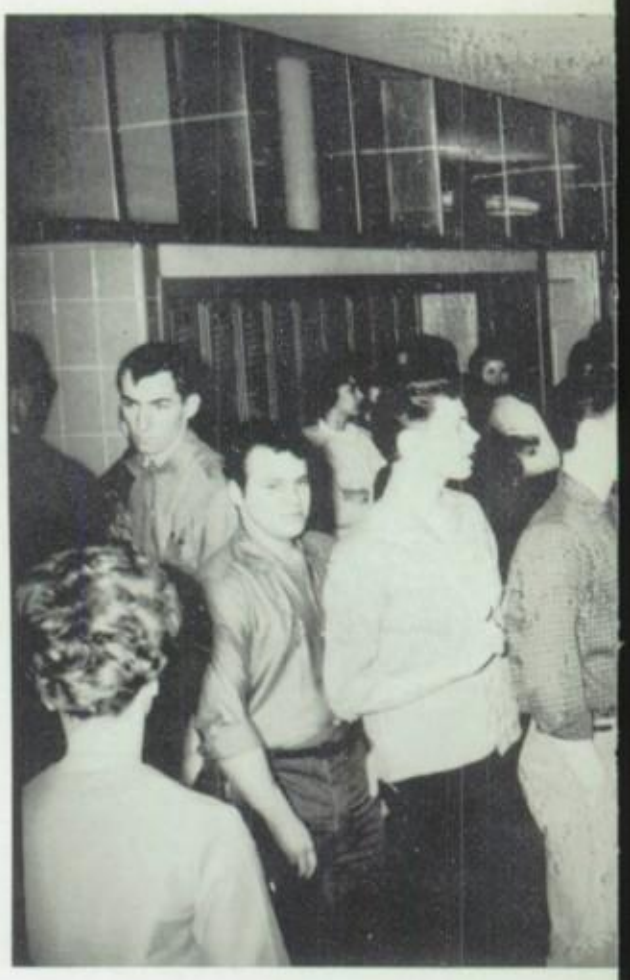
Students "blast off" at dances

"Blast off" is exactly what all of the students at G.H.S. do when they attend the juke box dances. During the "62 orbital flight" at our school, these dances were held on Friday nights, some following football and basketball games, to give everyone wholesome recreation. The recreation room of the Central School and the multi-pupose room of the high school served as the scene for this entertainment. Here students danced to the latest tunes and practiced all of the newest crazes in dancing. It also supplied a place for a boy to ask that special girl for a date, or for the girl to dance with her secret admirer, on a ladies choice of course. These "Friday night dances" were anticipated all week by most of us at G.H.S.

Above lett:
EVERYONE "TWISTS" and "swings" as the latest tunes are played over the Juke box.

THIS CARTOON was the highlight of the decorations displayed at the Twirp Dance. The theme was the "Flintstones."

THERE ARE A FEW students at G.H.S. who come to school early in the morning to "cram" for their classes of the day.



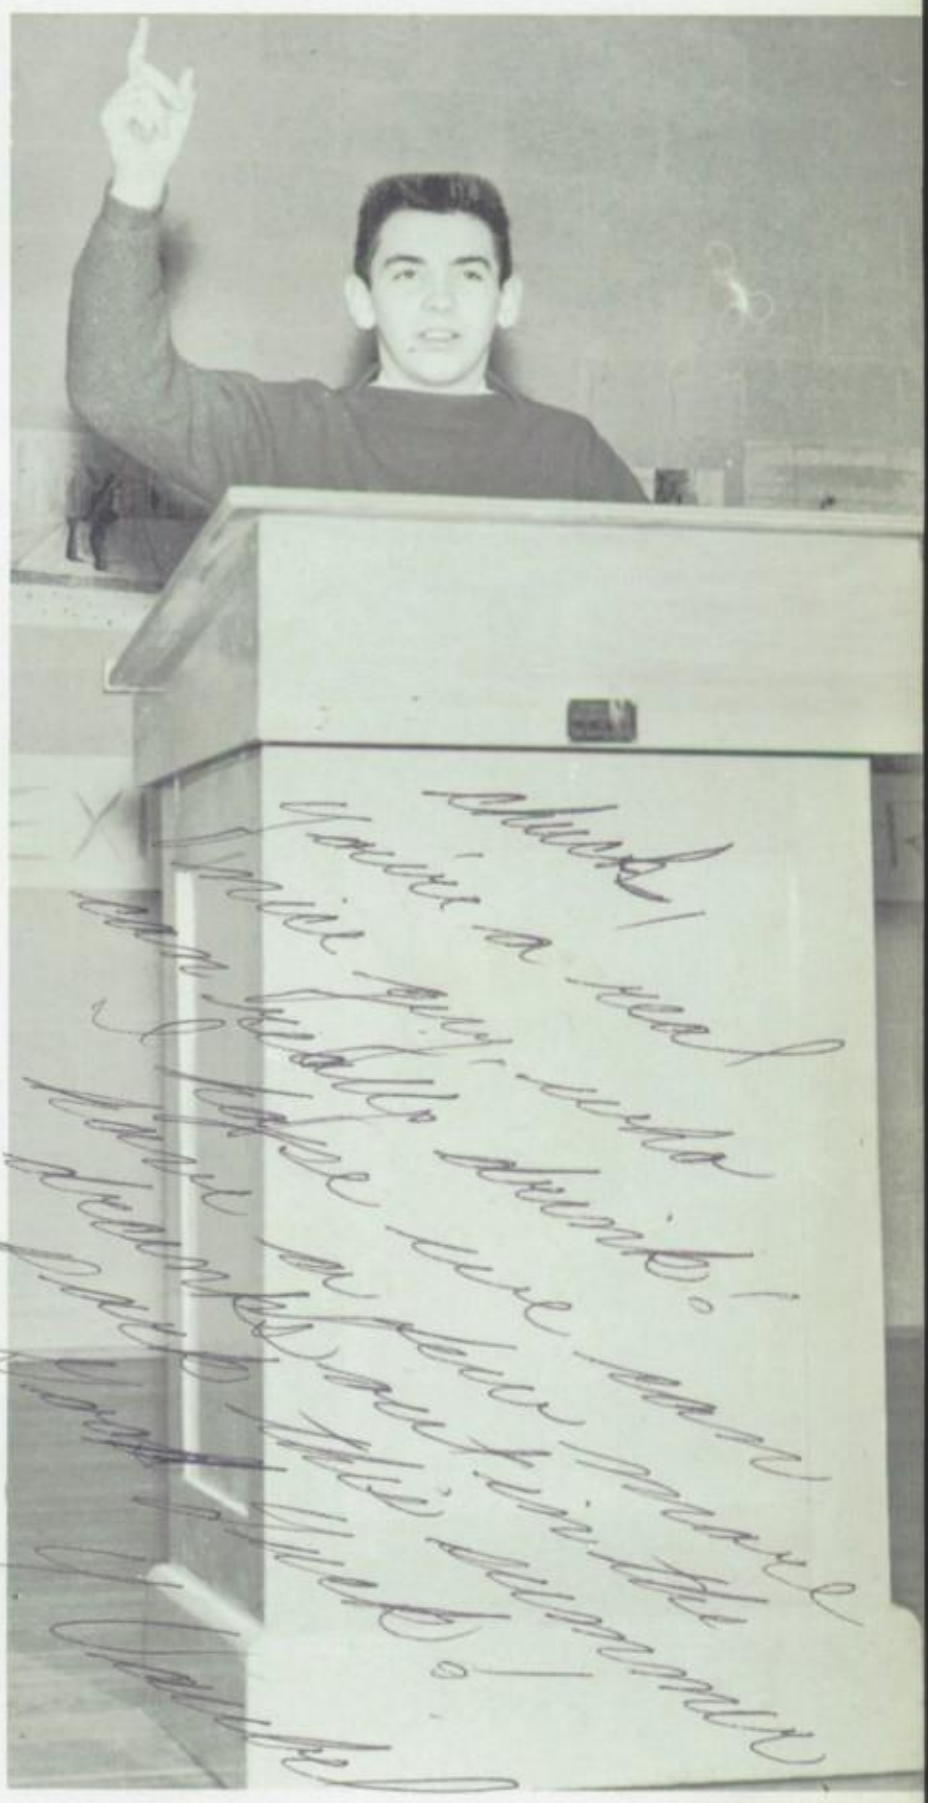
A typical day at G.H.S.

MISS QUIRK and her little white pad of paper means only one thing to her Latin and Spanish students–there will be a quiz on everything that we are supposed to know, but really don't!

HERE STUDENTS at G.H.S. line up and are served a nutritious hot lunch in efficient order. Students are "dressed-up" for the winter Dress-up Day.

G.H.S. HALLS provide a place for students to meet and greet friends during the day.

CHRIS COLLINS is emphasing his point in his talk given for speech class.



A typical day at G.H.S. for many of its students begins at 7:30 and ends about 4:30. Early in the morning, even before the custodian opens the hall gates, we sometimes find students arriving at the school to review for a forgotten test or finish an assignment. During the day, which begins at 8:05, everyone crowds the halls as they rush to attend the many classes in session at G.H.S. The school day consists of seven hours of classes and two separate half-hour lunch periods. Before classes on two days of the week a homeroom period is held for announcements, class business, and other special purposes. After school, many students attend committee meetings and work in various extra-curricular activities.

ALTHOUGH THE G.H.S. COLORS, green and white, are not shown in these pictures, these students were selected from the student body for the "wearing of the green."

DOCTORS AT G.H.S.? Well, not really because these girls are merely preparing for a fake operation on a fake man as they wear their "Ben Casey Blouses."

Fads and fashions are "AOK"

Many fads reign supreme at G.H.A. during every school year and this 61-62 year was no exception. Many couples "going steady" sported matching sweaters during the cold winter months and steady shirts of bright plaids and checks were also very popular. The "Sack Jumper" was worn by many girls giving a neat, loose-fitting outfit for school wear. Many boys had short, short hair cuts for the sports they participated in, while the girl's backcombed their topknots to give them height.

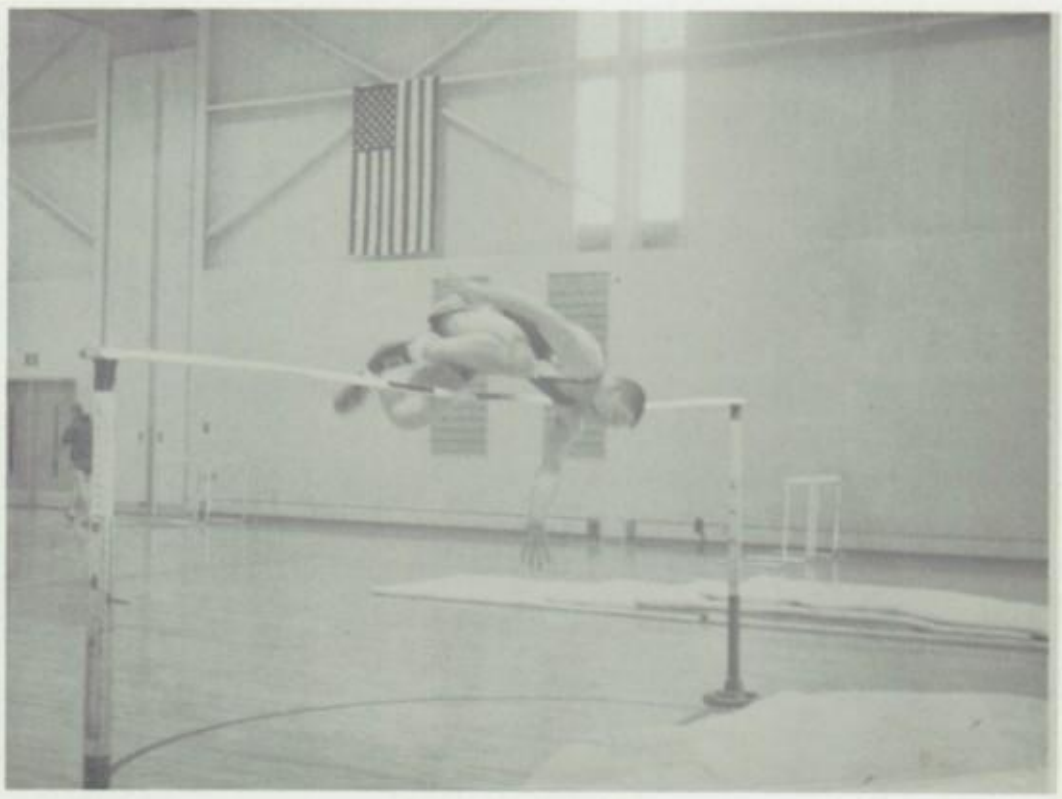
"TWIST BLOUSES" get you in the mood to really "twist" when the music begins. J. Ebben, S. Hageman, and C. Ebben model their blouses.

TWICE DURING THE SCHOOL YEAR at G.H.S. both boys and girls enjoy "dressing-up" for the "Dress-up Day" where everyone sports his Sunday best. D. Zielinski, D. LaMont, B. Bartholomew, S. Jacobson, J. Truppe, and T. Schultz are decked out for the Christmas Dress-up Day. Day.

Assemblies held during "Flight"

A UNITED NATIONS PANEL recognized U.N. Day at an assembly arranged by the United States History Classes. Don Vieau talks, as Jeanne Will, Kerry Seiler, Barbara Stuner, and Judy Toman think about their speeches.

THREE AWARD ASSEMBLIES are held during the school year, one for Fall, Winter, and Spring sports. Here Mike Doering receives a football award from Coach Bergner.



Above:
DURING A SPECIAL track assembly, Dick Wild demonstrated the high jump.
Left: **MR. BUCKNELL** presented his marionette show to the student body.

QUEEN JUDY AND KING DICK reigned happily over all of the Homecoming festivities.

Homecoming King Dick Wild and Queen Judy Vetter were the royal couple leading the 1962 Homecoming festivities. Their court of honor consisted of: Mary Hartman, Carol Ries, Mary Jane Mayer, Karen Millard, Bob Bruett, Jerry Hauswirth, Jim Davis, and Chuck Wobig. Honorary members on the court were Ted Mainella and Greendale's foreign exchange student, Connie Lopez.

The Homecoming events started on Thursday, October 5, at 7:00, with the introduction of Coach Bergner and the Panther team at the Pep Rally held at Brinkman Field. Following the introductions, the judging and parading of the floats took place. First prize went to homeroom 141 with "We're Robin a Victory" as their title. In second place was Homerooms 116 and 122 with "Here Comes DeFEET for the Knights." Third place went to Homeroom 111 with the slogan of "We'll Dub the Knights."

In the Pep Rally which followed, there were the cheers and much excited anticipation of Greendale's first Homecoming game in the Braveland Conference and on the new football field. The evening ended with the traditional bonfire and snake dance.

On Friday, October 6, just before the "Big Game" a pep assembly was held and at 4:00, on the new field, the Panthers challenged Oak Creek. Though the Panthers fought hard, they were defeated 32-0.

The week ended with the Homecoming dance on Saturday night, the 7th of October, from 8:30 to 11:30. Decorations for the dance depicted the "Braveland" theme with tepees and Indians as well as tom-toms. All the fun of Homecoming weekend is past but it will never be forgotten. There are many wonderful memories of this Homecoming and they will remain for a long time.

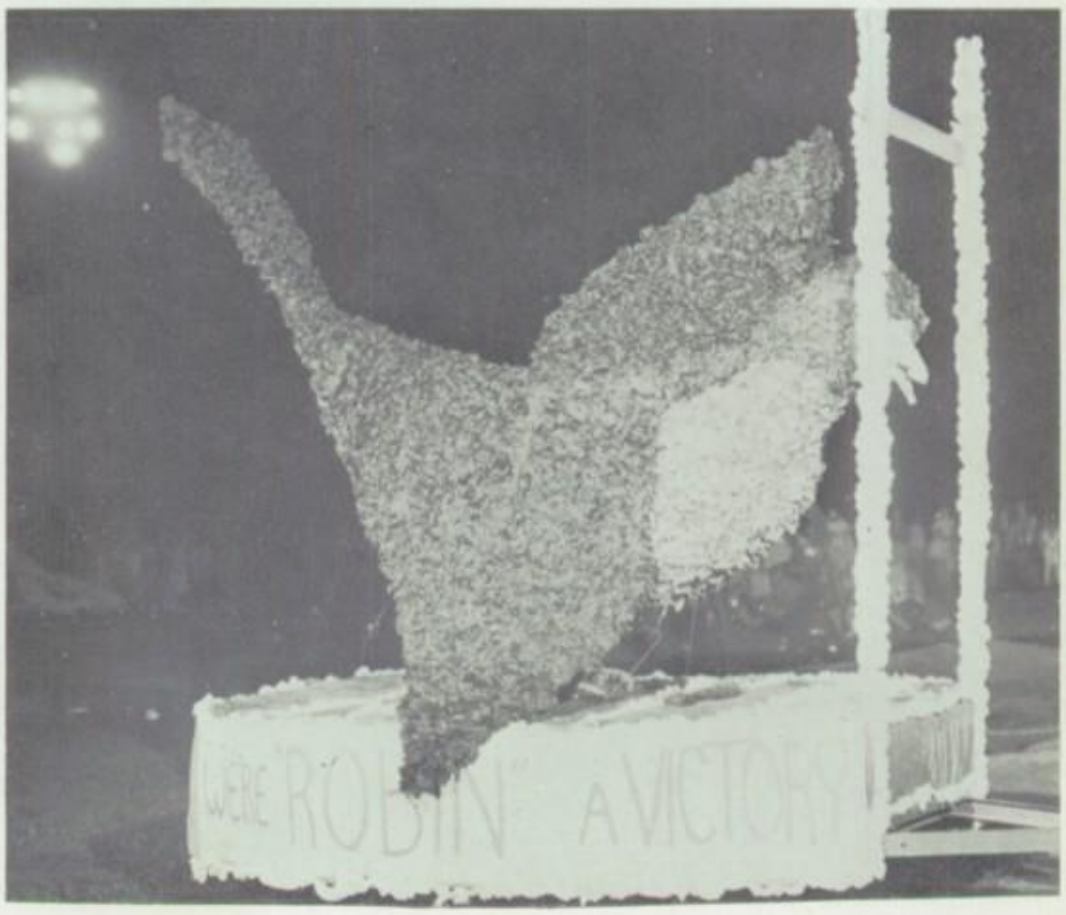
THE COURT OF HONOR at the 1061-62 Homecoming: Back row-J. Davis, J. Houswirth, B. Bruett, D. Wild, T. Mainella, and C. Wobig. Front row- M. Hartman, K. Millard, M. Mayer, J. Vetter, C. Lopez, and C. Ries.

1961 — 62 Homecoming festivities

PART OF THE ROYALTY for Homecoming paraded at the Pep Rally. Shown are Jerry Houswirth, Karen Millard, Carol Ries, and Chuck Wobig.

THIRD PLACE FLOAT called "We'll 'Dub' the Knights", was done by homeroom 111.

SECOND PLACE FLOAT was the work of the combined senior homerooms, 122 and 116 with the slogan "Here Comes DeFeet for the Knights."



FIRST PLACE FLOAT was made by sophomore homeroom 141 and the title was "We're Robin a Victory."

MEMBERS of the 1960-61 Junior Class chose Ray Ahlgren and Norma Dale as the King and Queen of their Junior Prom. Above, the King and Queen are seen after the crowning on the throne, made as a Royal Treasure Chest.

Juniors chose "Wonderland by Night" as theme

THE ROYALTY reigning over the Junior Prom, was composed of--back row, left to right; Ted Mainella, Robert Bruett, King Ray Ahlgren, Jim Davis, and Chuck Wobig. Front row; Carol Ries, Kathy Havnen, Queen Norma Dale, Sherry Downard, and Kris Erdman.

The Junior Prom, the highlight of the school year was anticipated by all juniors, for this is the time when they choose the Prom Royalty and extend their talents in decorating the multi-purpose room for the all eventful evening. The theme of the 1961 Junior Prom was "Wonderland By Night" having decorations of an underwater fantasy with a treasure chest as the throne, a sunken ship, and various water animals and flowers throughout the room. The juniors worked under a handicap in decorating this year because of the North Central Accrediting visitors who were at Greendale High the week before the Prom, however, they did a very beattiful job.

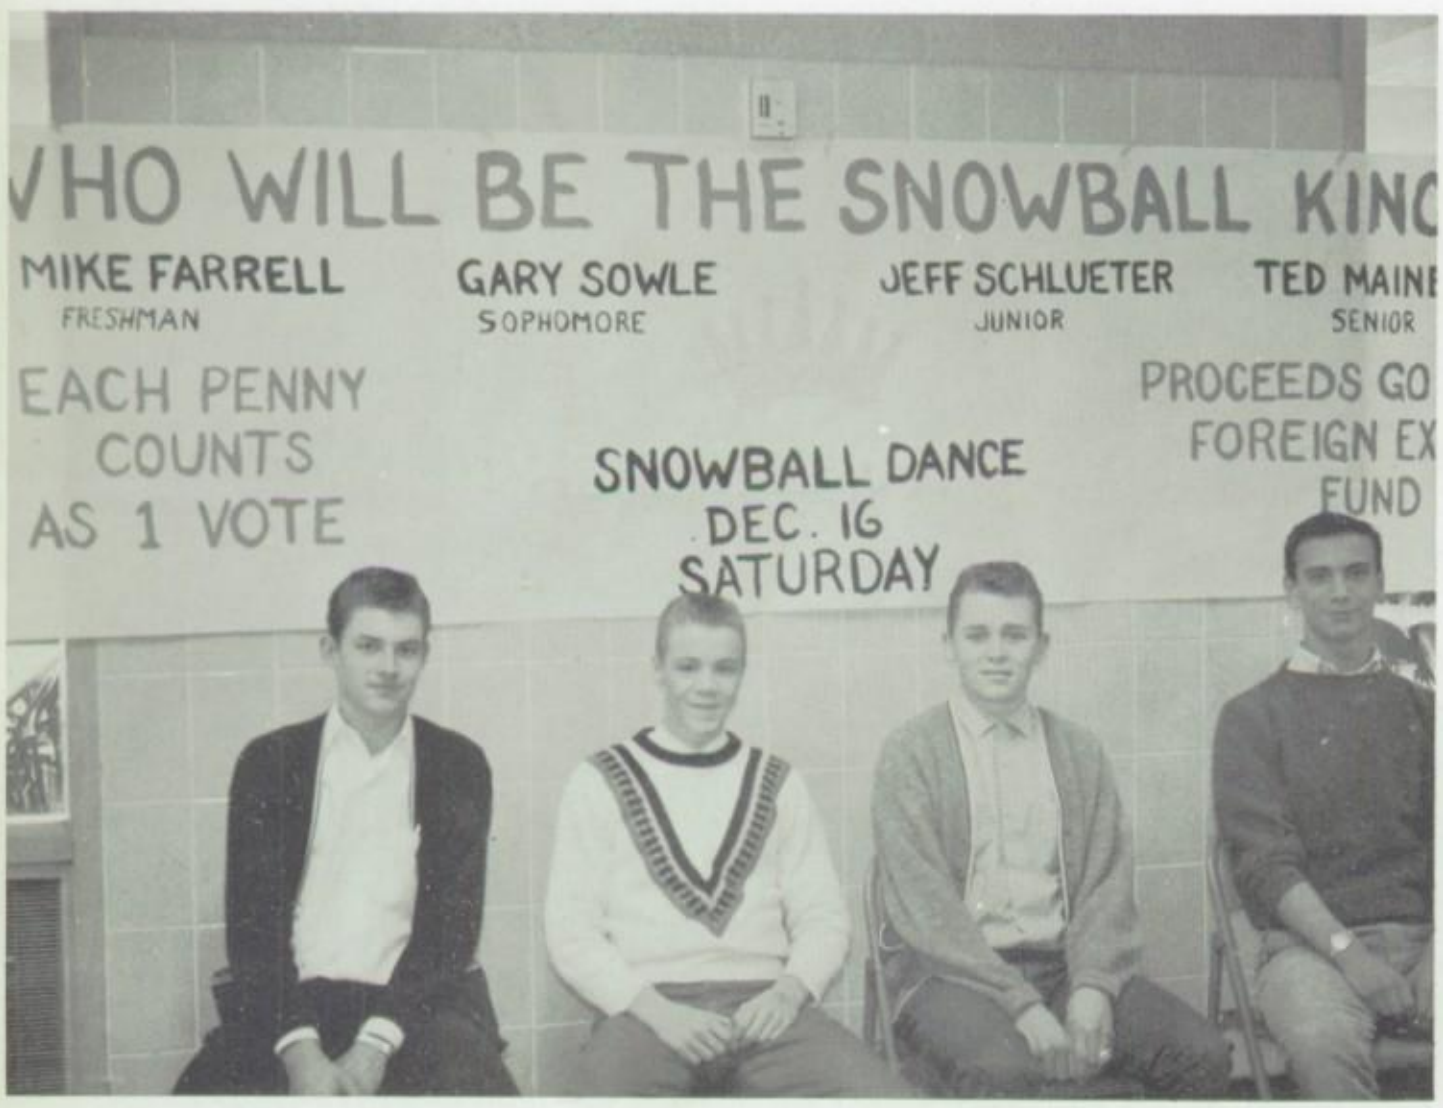
The Chuck Howard Band provided enjoyable music for all to dance to and announced, by playing the theme song, Wonderland By Night, the entrance of the King and Queen and their court for the crowning ceremonies. The King Ray Ahlgren and Queen Norma Dale were crowned by the previous year's king and queen, Jess Bogart and Kathy Gregg. Reigning as the Prom Royalty were Kris Erdman, Sherry Downard, Kathy Havnen, Carol Ries, Ted Mainella, Bob Bruett, Jim Davis, and Chuck Wobig.

Following the dance all couples attended the Post Prom at the Allis Chalmers Club House in West Allis until 3:30. Here, many of the student's parents served the couples a delicious swiss steak dinner in a room decorated with a "Paris in Springtime" decor, and enjoyable entertainment concluded a wonderful evening.

DENNIS JACOBSEN and Karen Pluta admire the decorations at the Prom, held in the multi-purpose room of the high school.

Sno-ball King and Sweetheart Queen

SENIOR REPRESENTATIVE, Ted Mainella is crowned the 1961 Sno-ball King by his date, Barb Bozich.



ADVERTISING FOR THE BIG DANCE are candidates for Sno-ball King, M. Farrell, C. Sowle, J. Schlueter, and T. Mainella.

elected

Two dances rounded out the program of winter social events for G.H.S. students this year.

With ice carvings and wintry decorations providing a wonderful atmosphere for the evening, the Sno-Ball was held on December 16. The Senior Class elected Ted Mainella as their representative and the students elected him king by penny votes. The other candidates were Junior Jeff Schleuter, Sophomore Gary Sowle, and Freshman Mike Farrell.

Ray Alhgren and Jerry Hausewirth took first place in the ice carving contest held in the afternoon with a beautifully sculptured sail boat.

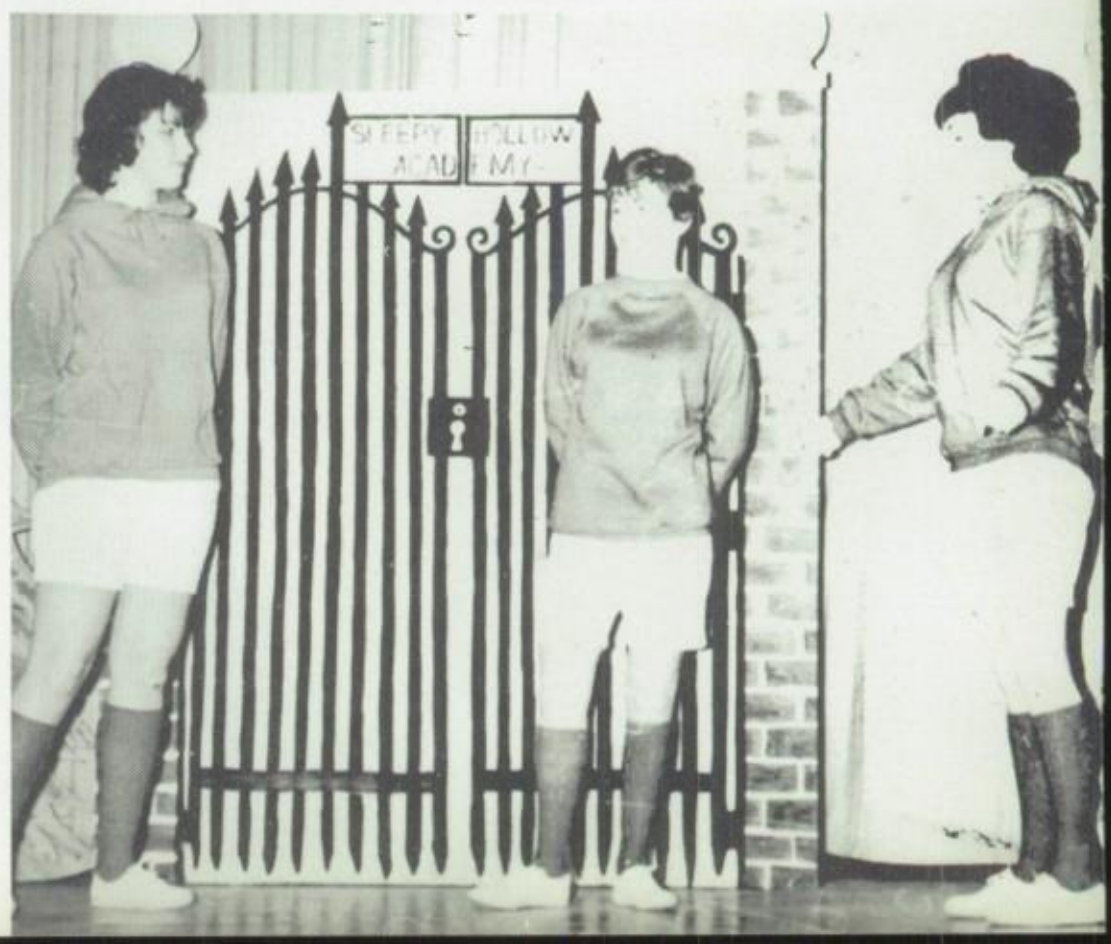
"Tulip Time" was the new theme for the annual "Sweetheart" dance on April 7. The multipurpose room blossomed into a garden of gay flowers, April showers, and fancy umbrellas as Allen Gaunke's band provided wonderful music. Kris Erdman was the choice of the senior boys as their "Sweetheart" to reign over the dance like a true queen.

COUPLES DANCE IN the multi-purpose amid the "Dutch" decorations at the Sweetheart.

JANICE SCHWABE, last year's sweetheart queen, crowned Kris Erdman as the 1962 Sweetheart of G.H.S., as members of the court watched.

"Mr. Crane of Sleepy Hollow"

Top left: Girls students march up aisle led by instructor, Tom Bones.
Left: Kathy Vantassell, Dean Roberts, and Ike Crane discuss the School.
Above: Boy students speak with Dean Austin of the boys' school.
Below: Girl students, Dottie, Gladys, and MiMi, hope for a dance at Sleepy Hollow Academy.



Something new for all of Greendale this year was the musical production "Mr. Crane of Sleepy Hollow." A musical comedy, "Mr. Crane" provided delightful and near professional entertainment for the packed houses which viewed it on the nights of March 30 and 31. The play was directected by Miss Sieracki and Mr. Koehn. Mr. Uhlig directed the dance band which was organized especially for the play and provided wonderful accompaniment and background music for the production.

The scene took place at Sleepy Hollow, an academy for girls, and the introduction of a new teacher of the dance, played by Jim Davis, supplied much excitement and amusement for the story. Other leads in the musical were taken by Tony Suschil, Mary Hartman, Judy Toman, and Tom Warren.

This production was an adventuresome and worthwhile program, and everyone is looking forward to other musicals in the coming years at G.H.S.

The pictures on this page show various scenes of the production.

FACULTY

Greendale High School had five new faculty members join "G.H.S. in Orbit" this year. Mr. Koehn, choral instructor, Mr. Sunarich, art instructor, Mr. Carlson, science and math instructor, Mr. Danielson, industrial arts instructor, and Mr. Feira, Spanish instructor, were welcomed by the G.H.S. student body. These new faculty members and the other teachers at Greendale helped to keep all of its students on a correct path throughout the year.

In the picture to the left, our faculty is working hard at a faculty meeting held after school. In the lower right, many of you will recognize Mrs. Jennie Butler, known to most of us as "Aunt Jen," and Doctor Seager, Superintendent of Schools. "Aunt Jen" presented the tea set to the Greendale Schools on the occasion of her retirement.

Teachers

ROGER C. SEAGER, Superintendent

This year's **Pioneer** achieves a dual purpose. It records the busy yet happy 1961-62 school year in Greendale High School, and it heralds the bright future which can be yours in the orbits of tomorrow. By preserving and presenting the achievements of the year past, it nurtures a vision of what the future can bring.

Undergraduates will find on these pages many goals toward which they can aspire. The Class of '62 will find a collection of fond memories and accomplishments which should help them achieve the high aspirations the faculty holds for them. Our congratulations and very best wishes go with you as you seek your place in the Sun.

SENIORS

At one time we were very frightened, yet so excited to enter G.H.S. as Freshmen. Then, the whirl began with new teachers to instruct us, new rooms to find in the high school, new schedules to learn, and new friends to meet. As Sophomores, our life calmed down and everything was almost normal. As Juniors, we were ready to be called "upper classmen" and so excited to prepare for our Junior Prom and choose our class rings. Finally, as Seniors, we were anxious to attend the big dances, such as Homecoming, Sno-Ball, and Sweetheart; to elect our Class Officers and our Poll Page candidates; to think of Cap and Gown Day and Commencement; yet, we were a bit frightened, too, to be leaving "G.H.S. in Orbit" and facing the "world in orbit."

Connie Lopez, our A.F.S. classmate from the Philippines, shared our senior year with us. On these pages Connie receives a Christmas present from the class and performs one of her native dances for an assembly.

CLASS OFFICERS

SEATED ARE ROBERT BRUETT, senior class president and Norma Dale, class treasurer. Sandra Jorsch, class secretary, and Karen Reichl, vice-president, are standing.

ADVISERS

MR. WICHMAN, Mr. Uhlig, Mr. Stenson, Mr. Lee, and Mr. Gilbert, who isn't pictured, were our guiding homeroom teachers.

Ourselves...

We are the class of 1962.

Four annuals have been printed during our days in high school; treasured books holding the faces and names of those who helped to make us the people we are.

We will have new roles to play; larger shoes to fill; greater and differing experiences to live through.

We have received training to guide us towards the fulfillment of our aims and desires.

We are on the brink of adulthood, but we still enjoy what was.

We will succeed.

ACADEMIC

While "G.H.S. is in Orbit" the most important travelers are its students, and here we find the majority. They are the Freshmen, Sophomores, and Juniors who from the very beginning accept Greendale High. They study here, they learn here, they share excitement here, they cheer for the Panther teams here, and they grow up here. The student's orbital flight through G.H.S. is a painful one at times but a worthwhile flight to take. In this orbit we find the classes where the students learn and grow mentally.

To the left is a picture of a senior class in First Aid. Here the girls are practicing various types of bandaging on each other as Mrs. Lyon looks on. At the lower right, you see the students who were elected by their classmates to be the Junior Class Officers. They are--standing: Vice President Jill Pries, President Jeff Schlueter; seated: Secretary Lois Dobner, and Treasurer Janet Truppe.

Juniors have a great many responsibilities in their third year at G.H.S. They are required to take U.S. History and English, along with a choice of three electives. Electives include Advanced Algebra, Chemistry, Applied Math, Home Economics, Shorthand, Typing, Mechanical Drawing, Shop, Art, Spanish, Latin, and German. Highlights of the junior year include the selection of class rings, electing class officers, and, of course, that spectacle of all spectacles—the Junior Prom.

"WE SHOULD be able to vote." U. S. History class campaigns for women's rights.

Juniors look forward to the coming senior year...

We now have now completed the half way mark

"**AND I REPEAT** once more . . . ."
Mark Ariens speaks in English Class.

Each sophomore returning to school in September is looking forward to many grand and exciting activities. Included in the activities are the games, dances, group get-togethers, and club meetings at G.H.S. Along with these activities come the many hours of work and study each person devotes to his required subjects—English, World History, and Biology, plus two electives.

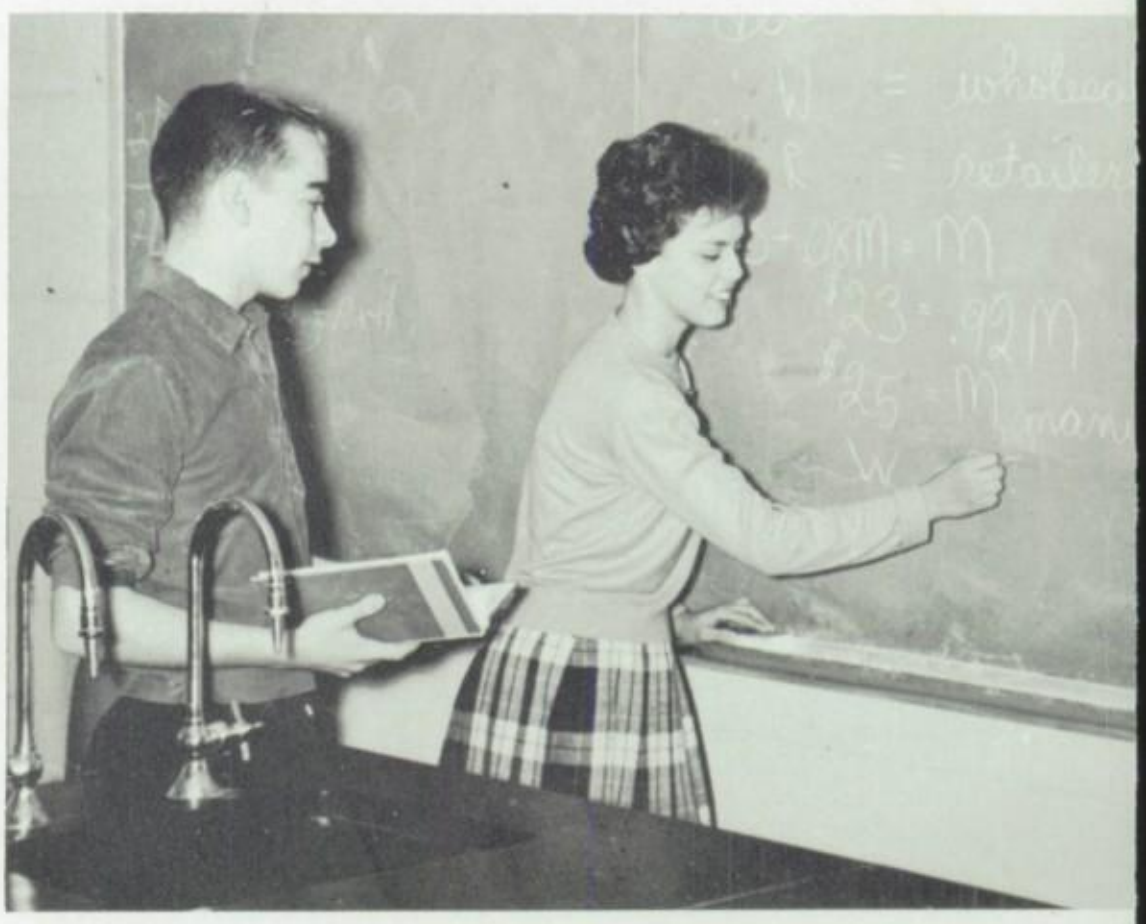
All freshmen receive cordial welcomes...

On the first day of school, freshmen find a new school, new friends, new teachers, and new classes. In fact, the only thing he doesn't find is the second hour study hall. After the first few days however, everything becomes routine but still a lot of fun. The required courses in the Freshmen year are Democratic Living and General Science. Some of the electives include Algebra, German, Latin, Spanish, General Business, Shop, and Music. As the year ended, the Freshmen looked forward with anticipation to the years ahead at Greendale.



"NOW THIS SHOULD BE the answer." Cheri Krause and Dick Rosolek work a problem in Algebra I.

Phinney, T. Halverson, B. Downard.

MERRY MUSICIANS of the Band serenade themselves during one of the many practice-makes-perfect band sessions.

Spirited entertainment

The Pep Band of Greendale High School, under the direction of Mr. Uhlig, is made up of a small group of qualified musicians. This group provides all of the spirited music we enjoy at our assemblies and our home football and basketball games. They also play the march music for the GHS drill team.

Although it takes many long hours of practice to be able to play in the Pep Band, the members readily agree that it's worth the time and effort.

CAUGHT IN a moment of rare rest Pep Band members await signal to continue.

signifies our G.H.S. band

Once again as the school year begins, the job of organizing the Greendale band also begins. Along with many hours of practice and many frustrations comes reward and satisfaction when a program has been successfully completed.

As a result of this, the band gave fine performances at assemblies and concerts. The Christmas Concert provided an opportunity to see and hear the band at its finest.

Under the direction of Mr. Uhlig, the band met each and every school day. For further enjoyment, the band performed at home foottball and basketball games and at assemblies.

Above:

NOW WHO is off key?– Mr. Uhlig directs a typical practice session.

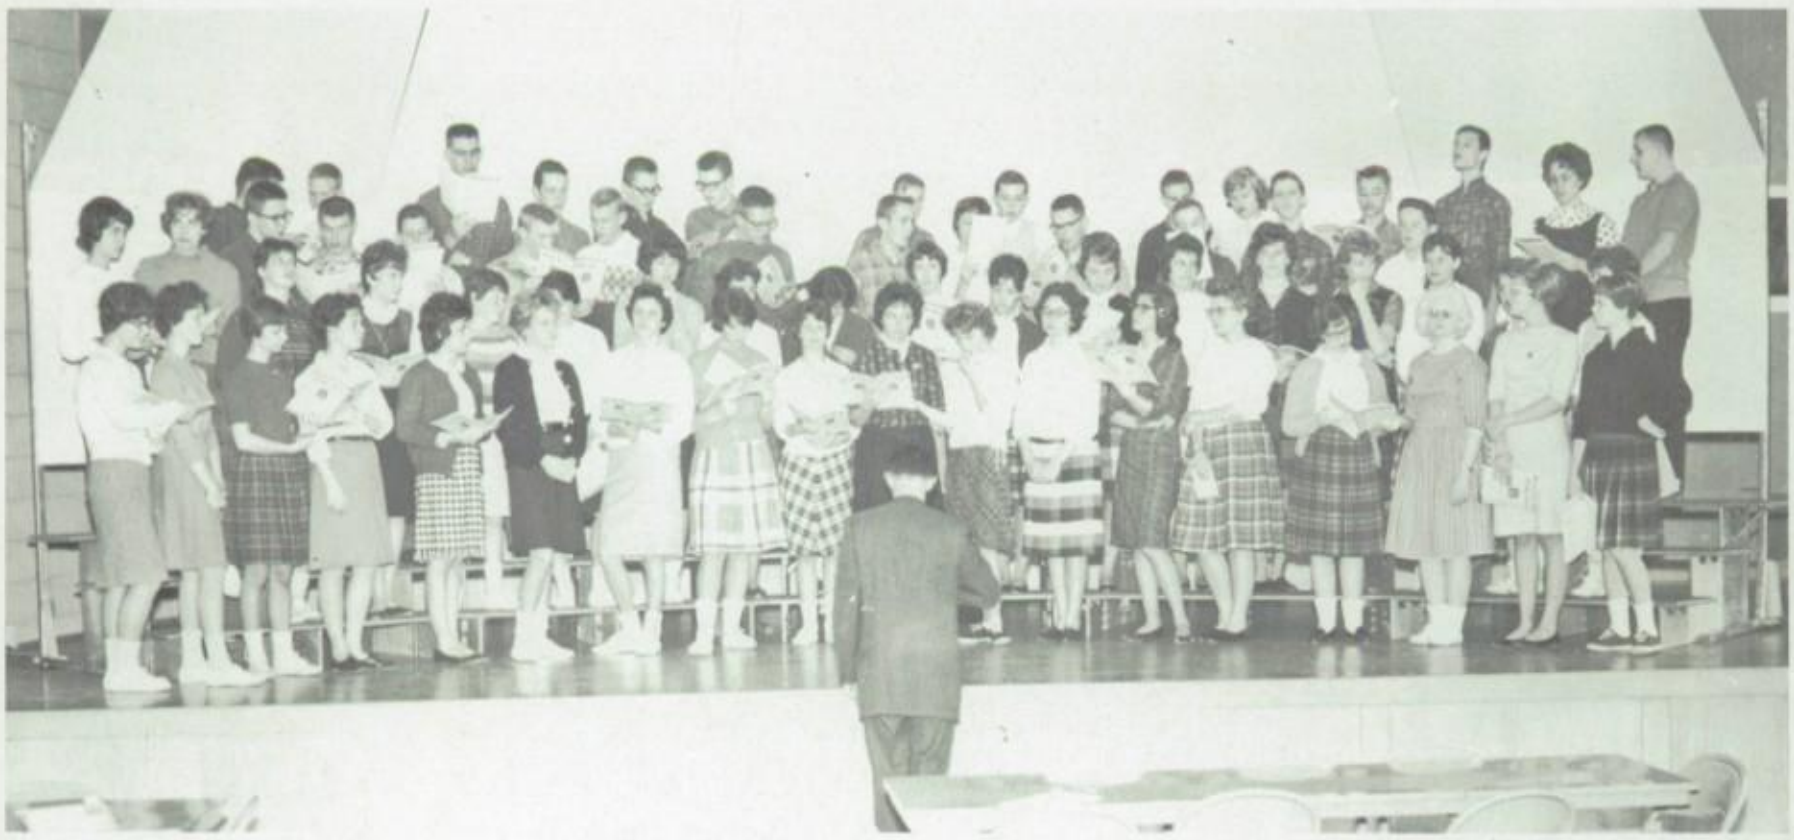
Below left: **EVERYONE PLAYS** right notes at the Fall music concert.

WE SING whenever we get a chance.

Our music makers provide enjoyable music

This year the A Cappella Choir, under the direction of Mr. Koehn met every Monday and Wednesday. In this limited amount of time the Choir rehearsed songs for all occasions including the Christmas Program and the Spring Concert. And we must not forget the first place finish by G.H.S. in the choral tournament last year. This year's Choir also plans to enter the contest.

All in all, the G.H.S. A Cappella Choir has earned a strong reputation in the eyes of many individuals.



A CAPPELLA PRACTICES for the Christmas Concert.

Feminine voices at G.H.S. vocalize for enjoyment

SENIOR GIRLS' CHORUS finds itself little distracted by Pioneer camera man at practice session.

Because the Senior Girls' Chorus contains many experienced singers, their musical ability was especially outstanding this year as evidenced in the selections they sang at the Christmas program.

This group practiced very hard and still managed to find time to enjoy themselves for they were satisfying their main aim--to sing.

This year the freshmen girls were given a chance to show their singing talent in the Freshmen Girls' Chorus. The chorus met each Tuesday and Thursday afternoon, devoted to enjoying wonderful music. On these days they practiced songs in preparation for coming occasions.

This group showed much talent and many members will display their ability in other choral groups during their remaining years at G.H.S.

FRESHMEN GIRLS' CHORUS members, however, seem to drop a half measure as candid camera surprises them.

ORGANIZATIONS

It would not be possible for G.H.S. to stay "in orbit" if it didn't have its many functioning organizations. These organizations, from Camera Club to Student Council, keep Greendale active and growing. Students participate in these extra-curricular activities after school, in the evenings, and sometimes during school. A new club which began this year is the Green Pep-ers. The Girls' Club and the Pep Club combined to form a large active organization.

To the left you see the Science Club officers and the science teachers as they review plans for the 1962 Science Fair. To the lower right you see students dancing at the annual Sno-Ball Dance, a Student Council sponsored event.

Row 3- S. Thierfelder, M. Walker, M. Mac Donald, P. Kasper, S. Sucharski, V. Holzman.

"Pioneer" blast off---A.O.K. - Pioneer Annual

During the school year the Pioneer Annual Staff is constantly on the job, finding material that the student body would like to remember, organizing it, and putting this material down on paper. This may sound easy but there are hundreds of little details that make a big project, like the making of a yearbook, a successful one.

Without the help and guidance of Mr. Lee and Mr. Heard the Annual would not be what it is. The editor-in-chief, Sherry Downard, had a very hard job trying to complete the introduction, conclusion, and division pages, besides keeping after the section editors to finish their sections. The associate editor, Karen Reichl, was a great helped when picturess and schedules had to be approved and taken for the pages. She also did a fine job in typing for the editors and helped whenever an odd job needed completing.

Marianne Sem and Sandy Sucharski planned the sales of the advertisements, sales of the yearbook, and handled the money portion of the work on an Annual.

The Camera Club, an organization that the Annual Staff could not get along without, spent much of its school time and much of the time after hours taking and printing pictures of the yearbook. These pictures add life to the pages of an Annual and these boys are greatly appreciated by the editors of the Annual.

The entire student body of G.H.S. has all of these people to thank for the wonderful book of memories that they receive.

SECTION EDITORS Karen Millard and Bob Bruett worked busily to meet their deadlines.

MARIANNE SEM, Sandy Sucharski, and Mr. Heard discuss the money matters thoroughly for accuracy.

Sherry Downard,
Editor-in-chief.

Karen Reichl,
Associate Editor.

Dear Chuck:

So the only guy I know who can be a "cookie" and "collegiate" at the same time. Nice work if you can get it. I'm gonna miss you, Chuckles, but I'm planning to come back sometime and pester you again so don't despair.

I'm counting on you visiting me in Huntsville (302 California Drive)

See ya' around, Love and all that jazz

Kathie

Democracy in orbit: student council

The Student Council is an organization that is a shining example of the American democratic way of life. The representatives, two from each homeroom, play a special part in promoting school spirit and in improving student-faculty relationships. The Council also provides training in the skills and techniques of good citizenship; raises funds for charitable, welfare, and health organizations; and sponsors social and educational activities for the students at G.H.S.

As the governing body of G.H.S., the Student Council tries its best to advance with the needs of the school. As a result of such ambitions, Kathie Allen, president of Council, was sent to Colorado for the National Student Council Convention. This past year Kathie has used what she learned at the convention, with the help of the other officers and the advisers to make a better Student Council. Other officers are: Vice-president, Judy Pollack; Secretary, Mary Hartman; Treasurer, Judy Toman; and advisers, Mr. Danielson, Mr. Watson, and Mr. Szymaszek.

To accomplish all the many tasks set up for Council, it has done much work through committees that any student of the school might join. By doing these jobs in small groups it was less of a burden for the officers and advisers.

The whole student body voted for the Student Council officers and the homerooms elected their own representatives. G.H.S. is proud of the work done by the Student Council.

STUDENT COUNCIL officers were: Top- Kathie Allen, President; Mary Hartman, Secretary; Judy Pollack, Vice-president; Judy Toman, Treasurer.

LAST MINUTE TOUCHES and making sure the pages are in the right order. Left to right are: Susan Stori, Connie Lopez, Sue Bozhardt, Judy Underdale, and Verallyn Cline.

CO–EDITOR Judy Pollack supervises copy preparation.

Pioneer News

To the Student Body:

Although this year has been an enjoyable one, we have encountered many of the problems that beset high school editors everywhere. They ranged from minor catastrophies such as hunting for an apostrophe that fell out of a headline from the "dummy sheet" to major calamities such as having a picture missing from the front page an hour before going to press. press.

To help us solve our problems, thus giving you a better newspaper, we attended classes during Thanksgiving vacation at the National Scholastic Press Association Convention in Chicago.

Inspired by these informative meetings, our staff tackled its assignments with renewed vigor. To maintain our "First Class Excellent" rating was the goal for which your staff and editors strived.

Even though it meant working long and tiring hours after school, we knew we could always depend upon Mrs. Sandstrom's cooperation and helpfulness. We thank her sincerely.

We are also grateful to Mr. Bartow, Mr. Mortenson, and the Camera Club for the time and effort they spent in taking and developing the pictures for your newspaper.

Mr. Ross and Mr. Davies also did their part through encouragement and cooperation in the little details that are so important in the setting up and printing of a paper.

We thank all those who aided us in making this year's **Pioneer News** the kind of paper we wanted it to be.

In closing we only hope that you have enjoyed your newspaper as much as we have enjoyed being your editors-in-chief.

Your co-editors,
Nancy Lenz and
Judy Pollack

fuse to make Green Pep-ers

At the beginning of the year the Pep Club and Girl's Club united to make one going club called the "Green Pep-ers." These organizations agreed to combine their purposes and efforts in constructive work, and have fun as well.

The first task members took on was the promotion of Homecoming. The efforts met with a great deal of success and spirit. The club then held an initiation of new members and welcomed the old members to another year of work and fun.

As a result of this combination of two into one, the club unexpectedly had eight officers instead of the usual four. They were: Presidents Mary Jane Mayer and Norma Dale; Vice Presidents, Maureen O'Donnell and Judy Vetter; Secretaries, Marianne Sem and Mary Hartman; Treasurer, Cathy Olsheski; Committee Chairman, Lois Dobner.

Extending a few of the past year's duties of Pep Club, the Green Pep-ers sponsored the cheerleaders and Pantherettes.

The Pantherettes, a drill team, performed beautifully at football and basketball games. Under the direction of Miss Wurl and Judy Toman they showed the maneuvers and skills of a well trained team.

TICKET SELLERS, Diana Cline and Suzan Majeski, gave their services loyally whenever needed.

As a "good will" project the Green Pep-ers held a party for orphan children and sent food baskets to needy families. They also held a Father and Daughter Banquet in March, and had a bowling party for the girls and their dates.

The Green Pep-ers got off to a fine start this year and are looking forward to a very successful future.

High flight standards set by N.H.S.

The National Honor Society is an organization at Greendale High School which is restricted to students who meet certain standards. These four requirements are "Leadership, Scholarship, Character, and Service." New members are chosen in the spring of each year by the teachers and by the old members of the organization. Only a certain percentage of each class is eligible to become members of N.H.S., so membership card is a valuable thing to receive.

Meetings were held the first Tuesday of every month in the high school library. With the help of Mr. Kapsos, the adviser, and the officers, this organization formed the Honor Roll for display in the school, provided library passes for students with three or more "A's" on their report card, listened to Foreign Exchange students speak at their meetings, and organized a very impressive initiation assembly for the entire student body. The officers for this year were Tony Suschil, president; Karen Reichl, Vice president; Judy Pollock, Secretary; and Mary Hartman treasurer.

National Honor Society brings honor due to those who are the academic leaders of G.H.S.

MEMBERS of National Honor Society busily prepare a large N.H.S. emblem.

Talk about space! forensics and debate

In Forensics and Debate, interested students receive training, coaching and speaking experience in various fields. These fields include orations, declamations, interpretive readings and memorized speeches.

The Forensics portion of the club participated in the Braveland Forensics Contest held at G.H.S. in March. At this contest team members received seven "A" ratings and the people receiving these ratings went on to state competition, where three received "A's."

The Debate portion of the club participated in debate tourneys at many different schools throughout the year. At these tourneys, the teams debated on the more controversial of current problems and events.

Meeting every Monday after school under the guidance of Mr. Wichman, the members of Forensics and Debate received invaluable instruction and experience.

DEBATE:

Top Row- Mr. Wichman, B. Brody, W. Canales, J. Hammer, G. Wright, C. Collijns,

Scholars are important in space travel

The purpose of the Future Teacher's of America is to give interested students an opportunity to explore this field and find out if teaching is the profession they want to enter.

Throughout the year the members took part in certain activities that they felt may help them later. This year the F.T.A. members concentrated on tutoring, and the program was expanded to include a great many more interested students.

The members saw movies, collected books for a children's home, sold candy, and observed teaching methods in the elementary grades. The highlight of the year was the state F.T.A. annual convention, which was held at the University of Wisconsin.

Anyone interested in becoming a teacher is welcome to join and participate in the various activities throughout the year.

BY SELLING cans of candy the F.T.A. raised money to send delegates to the State Convention.

Top row- K. Kujawa, C. Pape, E. Stettler, V. Jacoby, J. Underdale. Weber, N. Lenz.

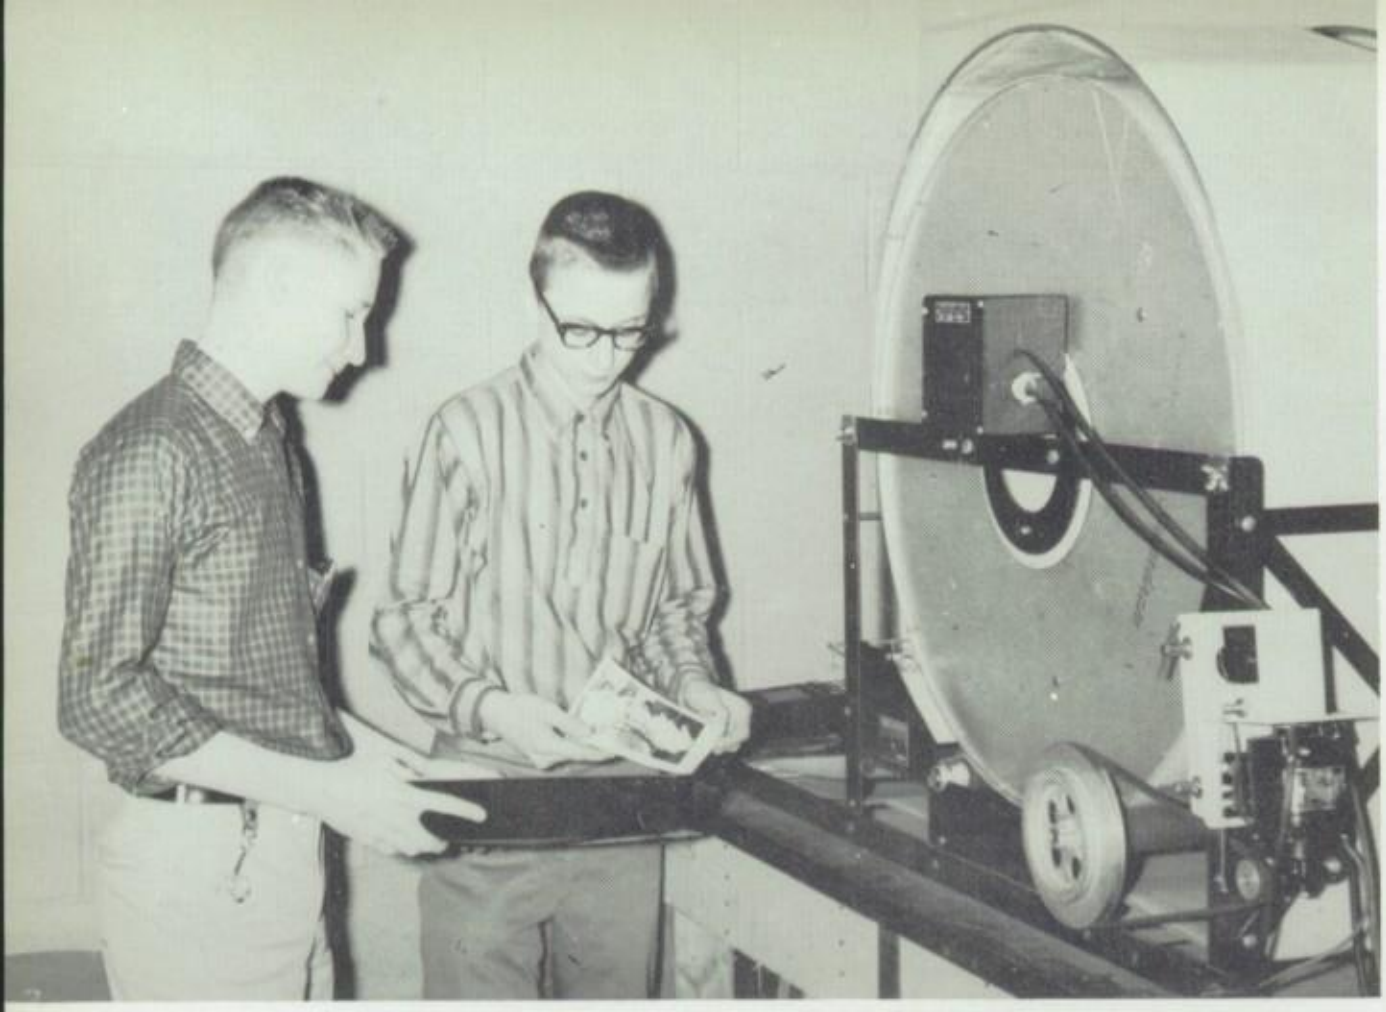
Talent and practice—result, successful "blastoff"

"The play's the thing," acting, direction, production, make-up. The thrill of it can be found in the Theater Guild. This organization provides a fine place for promoting the many talents of its members.

In October, members worked hard to enter the drama contest and returned with a "B" rating.

On March 30th and 31st the Theater Guild and talented music and dance students produced a musical, "Mr. Crane of Sleepy Hollow." with Miss Sieracki and Mr. Koehn as the directors, it proved to be a thrilling show and a wonderful success at G.H.S. It has started a new tradition which we hope will find a permanent place at our school.

JUDY TOMAN, Virginia Hale, John Lee and Sharon Thomas are rehearsing a scene from "Mr. Crane of Sleepy Hollow."



BUSY CAMERAMEN prepare photos for the dryer. Here are Howard and Bill as they examine developed pictures.

Future professions

The Greendale High School Camera Club is made up of students who are really interested in learning how to develop negatives, and print them. The group, under the direction of Mr. Mortensen, does the photography for both the Pioneer Annual and the Pioneer News, at every school function there is always someone assigned to take pictures.

With great pride the Camera Club sent many pictures to the local newspapers for publication. This has kept them in close contact with the school function and activities.

Meetings were held every second Tuesday after school, but because of the nature of the work, members were urged to spend as much free time as possible taking and developing pictures.

CHOOSING THE GOOD negatives for printing are Jean Will and Jack Kohlweiss.

Back row- Mr. Mortenseon, H. Manard, D. Thorow, J. Cardimona, P. Cook, P. O'Keefe.
Row 2- D. Johnson, D. Apps, D. Coblo, R. Nickolaus, M. Paul, J. Kohlweiss, R. Ellenbecker.

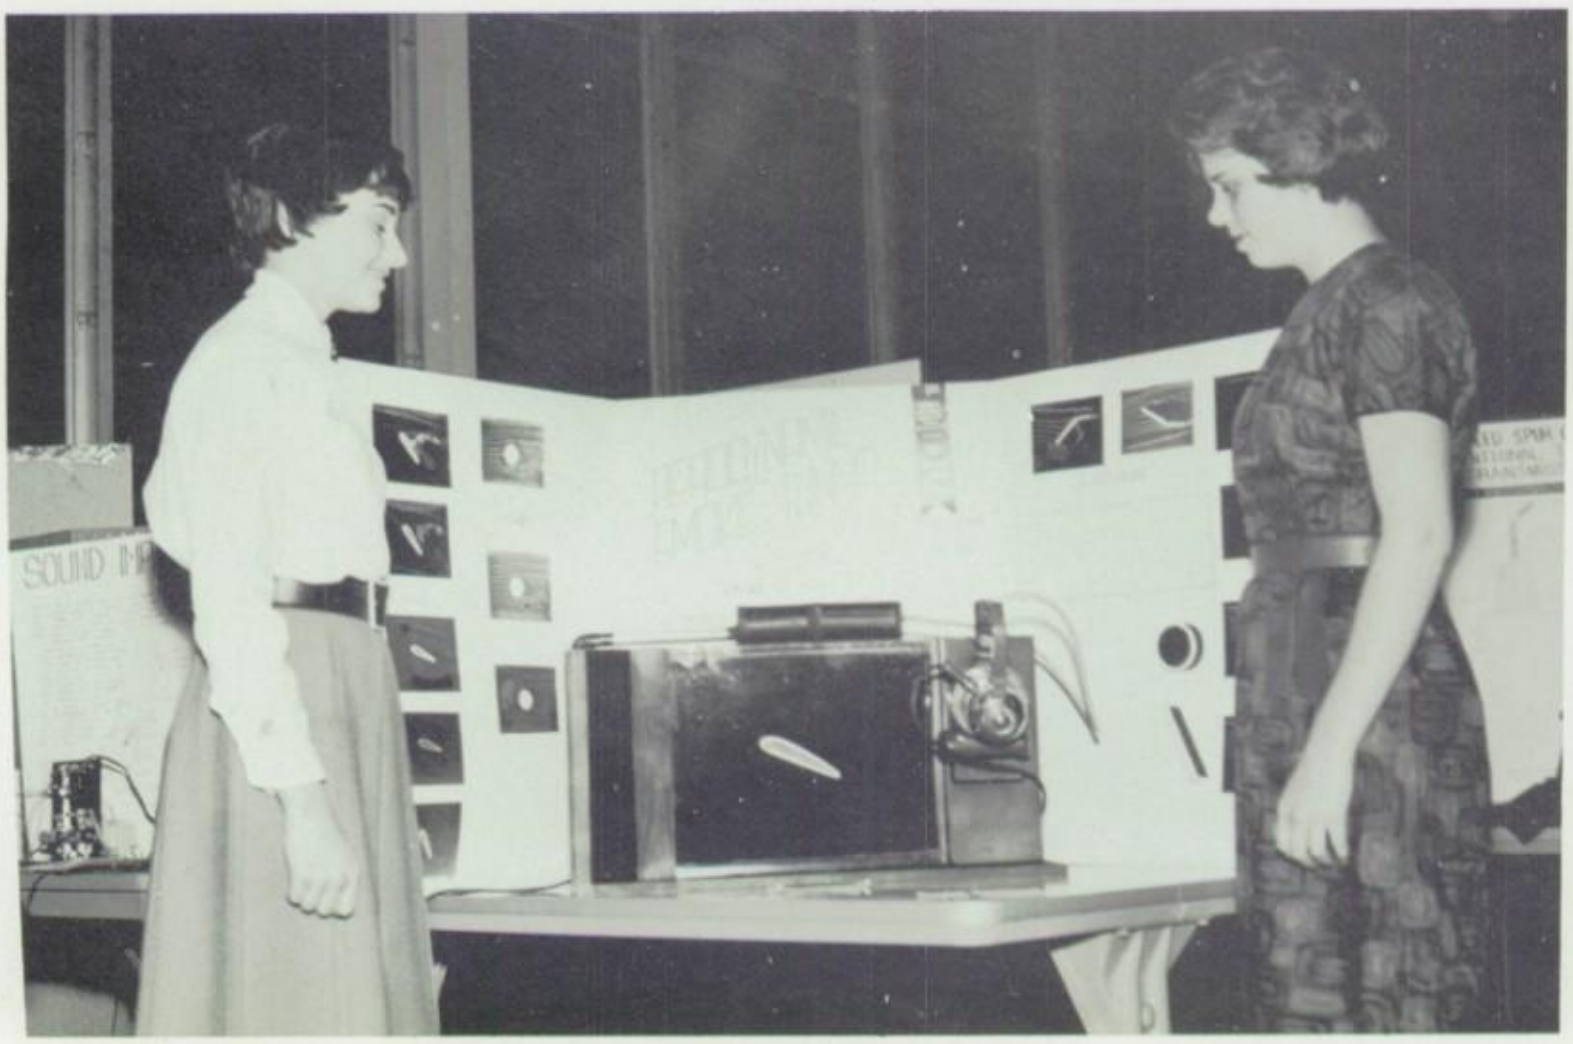
Row 2- J. Sordahl, J. Appleyard, L. Ziese.
Row 3- L. Klinger, D. Paskowicz, M. Sidoff.

for future spacemen

The Science Club is an organization that gives the scientific inclined students at G.H.S. an opportunity to develop their skills and create new and exciting exeriment. The main project for the Science Club each year is the Science Fair which proved to be a tremendous success this year. The Fair took place March 17 and 18 and was the largest fair Greendale has ever had.

The Club holds meetings for experimenting and important business. It has also proved that there are always students who are anxious to learn more about the scientific world of tomorrow.

SCIENCE ENTHUSIAST, Linda Fisher and Charlene Bleistein won first place in physics in the Science Fair, held on March 17 and 18.



Top row- C. Ebben, D. Kruase, S. Milarch, K. Splittstoesser, S. Trojan, S. Johnston, J. Thomas.
Row 2- Mrs. Zwiebel, P. Kasper, P. Gahnz, K. Vahovius, C. Marcus, J. Milarch, D. Raymond.
Row 3- D. Weber, M. Larsen, J. Barg, J. Washburn, J. Isherwood, K. Bogart.

Behind the scenes

Library Service is a service organization which requires much of its members in time and effort during the school day. The members, under the supervision of Mrs. Zwiebel, shelve and shellac books, cover books and magazines, check magazines and books in and out of the library, and do a great deal of filing.

Any student with a "C" average and an interest in learning about the library and its duties are welcome to join.

Mrs. Zwiebel and Mrs. Reichhardt assisted by library service members are to be thanked by all for the smooth running system that we have in the G.H.S. library.

VOLUNTEER WORKERS, G. Barg, L. Knutson, S. Milarch, and C. Janzen serve the student body at the library desk.

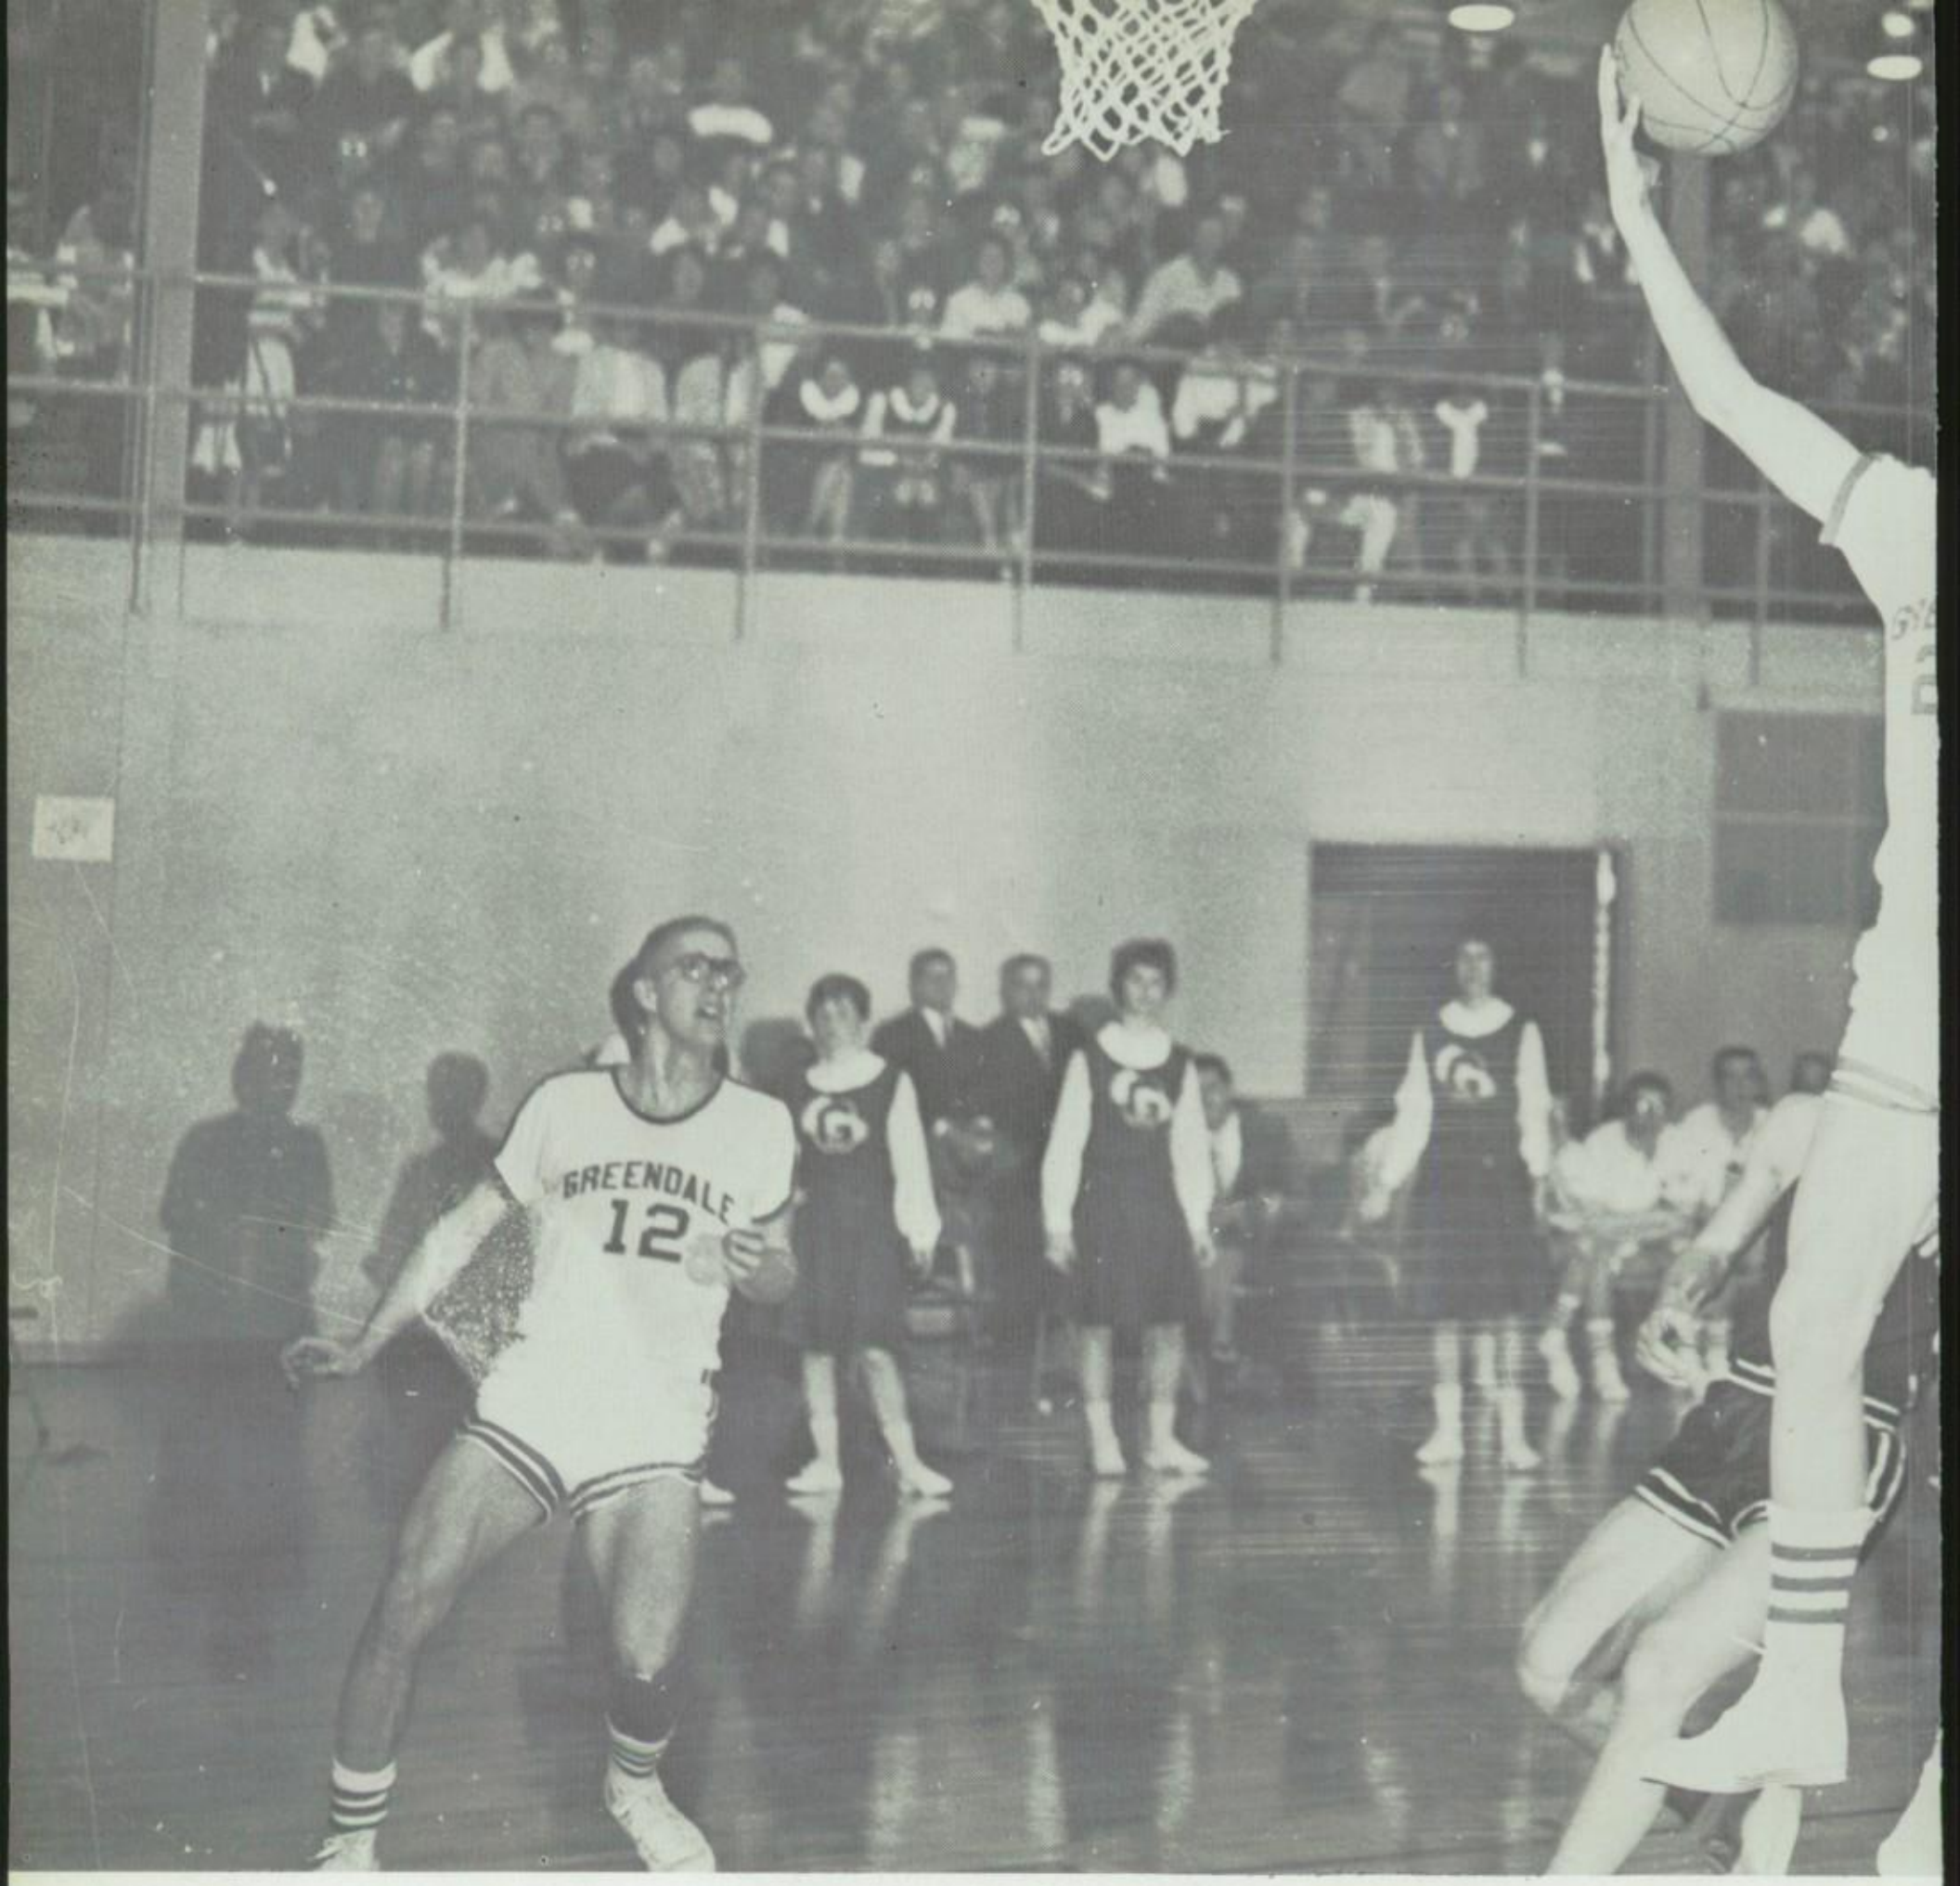
Top row- D. Mazar, R. Radke, E. Farrell, F. Ritzman, D. Johnson.
Row 2- Mr. Katalinich, J. Solomon, R. Ellenbecker, L. Ziese, M. Hintz.

of the orbit race

With the help and guidance of Mr. Katalinich the Stage Crew has accomplished the many duties of "behind the scenes" personnel.

The Stage Crew could be depended on for making props and setting up scenery for the theatrical production's that have been staged this year. For the concerts and assemblies, members set up microphones, chairs, risers, and tape recorders. For plays they set scenes, arranged for curtain management, and handled the lighting system. Along with the many other things that the student body is reminded of in this yearbook, they should also remember the Stage Crew and its efforts.

BUSY STAGE CREW MEMBERS, Lowell Ziese, Dan Mazor, and Dennis Johnson operate the spotlight for plays, concerts, and assemblies.



GREENDALE
12

SPORTS

The "orbital race" of Sports is one which takes much exercise, practice, time, teamwork, effort, and desire to make it worth while to be in. Although our Greendale teams may not always win and end up on top of all the rest, we have had a fine record of good sportsmanship. This, Greendale can be very proud of.

For the first year at our school, Greendale competed against schools in the recently organized South Braveland Conference. This conference enabled our teams to compete with schools of relatively the same number of students and size. Students from all classes cheered the Panther teams on to many victories and saw Greendale take its place in this new "orbital flight" of the Braveland Conference during the 1961-62 school year.

To the left, Jerry Hauswirth of the Panther squad retrieves a ball as Pat Dedynski prepares to help him. Below, Al Johnson wrestles in the Wrestling regionals held at G.H.S. this year.

Females add color to sports

JUNIOR VARSITY CHEERLEADERS—M. Gibes, D. Moran, S. Jacobson, S. Burden, K. Holms, J. Truppe, J. Jankowski, and B. Mayer (not in picture).

The cheerleaders of G.H.S. are sponsored by the Green-Pep-ers and are under the direction of Miss Wurl and Mrs. Lyon. Eight Junior Varsity cheerleaders in their green and white uniforms cheered the junior varsity on to many victories.

The Varsity cheerleaders started the season with their new green jumper uniforms. Leading the spectators in cheers, these energetic girls helped create good school spirit.

ALL TOGETHER NOW! —Cheerleaders bring down the house at a basketball game.

K. MILLARD, M. Hartman, N. Dale, Mary (mascot), B. Bozich, J. Vettel, Carol Ries prepare to give a cheer at a football game for the Homecoming.

PEDAL EXTREMITIES move in precision as "Sea Sprites" perform.

In this its second year the "Sea Sprites" of Greendale High School had two major additions to improve the organization. Its membership was increased to 44, and with the profits of last year's show, underwater speakers were purchased.

All year the girls worked on numbers for the Water Ballet Show which was entitled "Faraway Places." The production, May 18 and 19, was the highlight of the year's activities and contained numbers depicting various countries all over the world.

This year the Sea Sprites were under the supervision of Mrs. Lyon and the officers were: President, Kathy Havnen; Vice President, Sue Stori; Secretary, Sally Dolter; and Treasurer, Judy Bluhm.

Girls keep in shape with G.A.A.

The Girls' Athletic Association is an organization for girls with a desire to participate in sports and gymnastics. The group meets each Wednesday, enjoying competitive sports such as basketball, volleyball, and baseball and times working on apparatus or playing tennis.

The advisers, Miss Wurl and Mrs. Lyon were assisted by the officers, Karen Reichl, President; Lois Repp, Secretary; and a committee composed of representatives from each class. This year's committee was as follows: Kathy Keaton, senior representative; Robin Speerbrecker, junior; Barbara Toman, sophomore; and Eileen Cizeski, freshman.

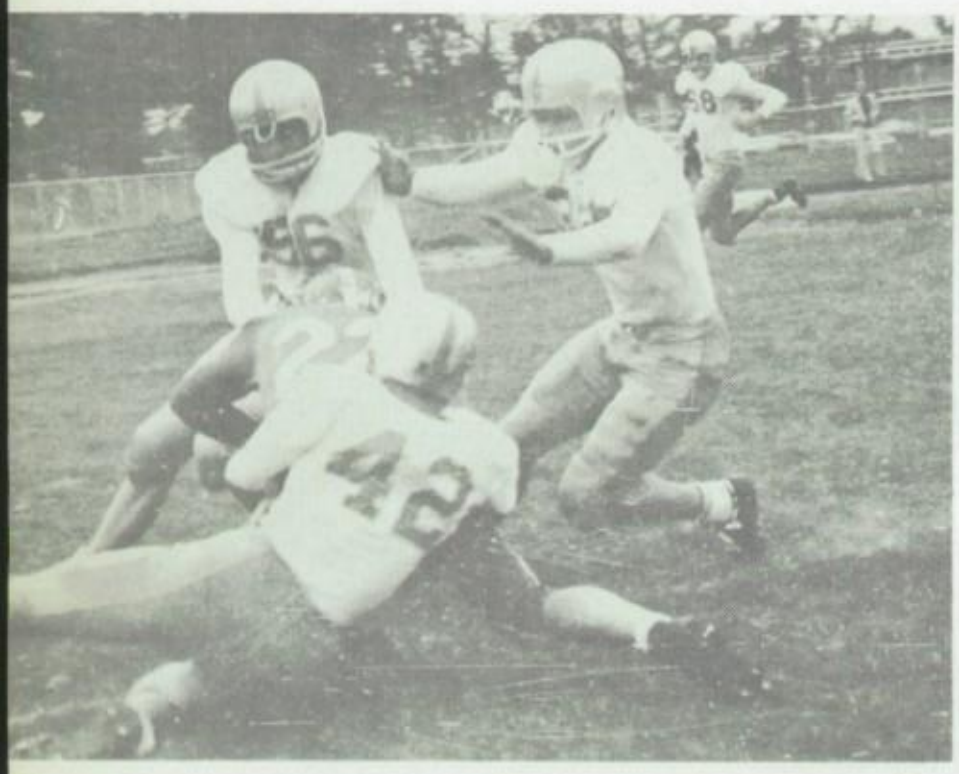
Second row- S. Gerovac, S. Szalewski.



The Football team is looking forward to the 1962 season. The '61 season had many disappointments but next fall the gears should run more smoothly. The oil still necessary will be applied more judiciously come September.

Football at Greendale High can be compared to our country in the space age. The United States had been a long time coming into it's own. Greendale High too has been a long time coming into it's own on the football field. The year 1962 has marked the success of the United States in it's effort to send a man into space. The year 1962 will mark the success of the Panthers on the football field.

We, the student body, can play a large part in the success of our football team by thinking positively. We will beat our opponents and by so doing we will win. However, never let the taste of victory wash away those memories of the drought. It is the droughts that make people and teams strong. Strength is the result of dignity and pride.

Lets have pride in our Panthers and show that pride by conducting ourselves with dignity.

Cross Country is a running sport in which many of our more energetic boys participate. The boys who were active this year displayed fine effort during the entire season.

This year our Panther team won one out of its six dual meets and placed third in the Cudahy Invitational. At the Braveland Conference Meet the team placed sixth, and sent Dave Roberts to the State Meet.

Although we had a good turnout for track this year, Mr. Karrmann, the coach, would like to enlarge next years team.

Greenfield	4-12

UP IN THE AIR goes Dick Prudlo.

TWO MORE points Dick Prudlo.

Greendales's Freshmen basketball team got off to a thrilling start this year, winning their first game against Muckwanago, 39-36. They fought hard during the season and played many close and exciting games.

This year the team was tremendously successful, winning twelve games and losing only five. The coach of the team, Mr. Heard, has a right to be proud of his fine team.

The high scorer on the team was Mike Farrell with 206 points, and John Harris followed close behind with 168 points. David Fox was also in the hundreds with 140 points. We give this team our congratulations for such a successful season.

The Junior Varsity gained much experience from playing in the new conference and did a fine job of representing Greendale High in their playing. They were handicapped by the loss of two of their starting five to the Varsity squad. We certainly hope that these boys will play well as the Varsity team for next year.

Through team and invidual effort, the Panthers came up with the most impressive record since entering conference play several years ago.

Entering the Braveland Conference for the first time this year, the Panthers finished with a second place tie with a 9 and 7 record for the conference and 11 and 10 record for the season.

Ending an outstanding high school basketball career by breaking almost every record on the books, Captain Bob Bruett lead the Panthers to victory with a season record of 409 points in 21 games, ranking him third in conference scoring. Among the other records set by Bob was a career total of 1175 points for his 3 1/2 years as Varsity cager. The Greendale team showed its confidence in Bob by electing him "Most Valuable Player" for the season.

Losing only five varsity players, the Panthers are looking forward to a successful season next year with Dick Prudlo leading them as their Captain.

JUNIOR VARSITY

Top row- Mr. Kreske, B. Ringland, D. Dodson, F. Ries, J. T. Keaton.

Row 2- M. Ariens, C. Johnston, J. Zillmer, J. Kittinger, H. Hansen.

J.V. and frosh teams show promise

PROSH

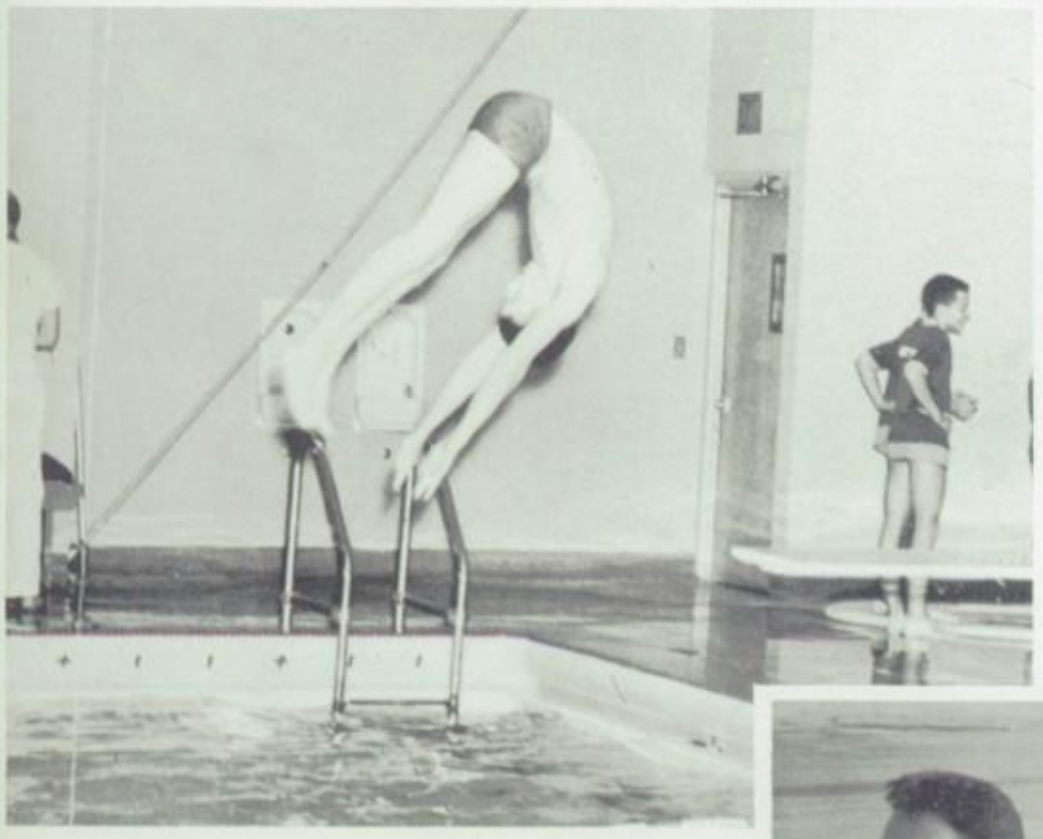
Top row- Mr. Heard, R. Dymale, J. Glynn, J. Heymann, J. Harris, L. Hausmann, R. Kainz, J. Puzach, R. Natynski.

Row 2- B. Wismeth, D. Fox, W. Natynski, M. Farrell, M. Zolicki, G. Mayr.

Row 3- R. Frontenot, F. Jaskie, D. Lindner, T. Halverson, A. Jellison, D. Kasch.

Top row- D. Smythe, D. Bengs, G. Sowle, F. Ritsman, M. Donnelly, J. Sebestyen, T. Silkey, M. Surges, J. Schueter, S. Roth.
Row 2- Mr. Russell, G. Johnson, T. Schumacher, T. Hall, J. Sebestyen, M. Jarvis, J. Haven, E. Furru, T. Wild, J. McSwain,
Row 3- T. McSwain, R. Hansen, R. Johnson, B. Techtmann, A. Koester, D. Vieau, P. D'Amico, C. Hansen, D. Wild, B. Bates, R. Dymale.

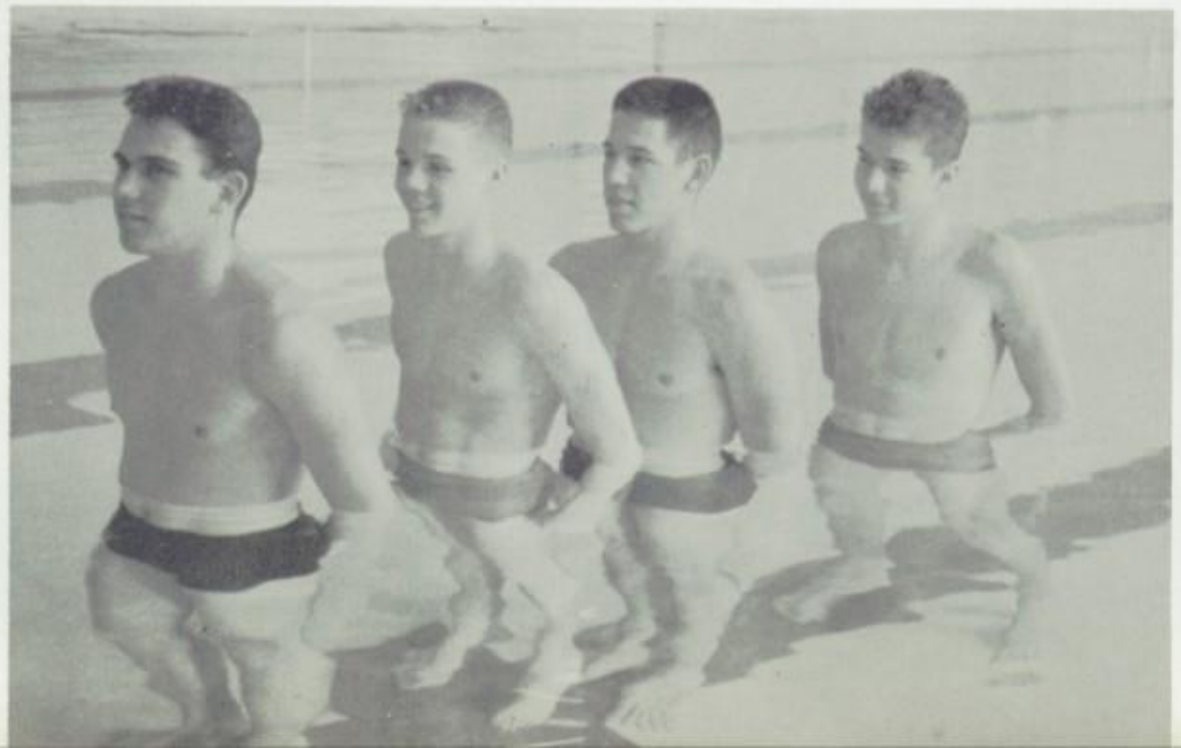
Swimming team swam impressively



DIVER RICK JOHNSON, executes a practice dive.

Our young swimming team had an excellent season this past year. Under the direction of Coach Russell and Dick Wild, 1962 Captain, they chalked up a 9-3 record. This was the second year of participation in this invigorating sport, and the boys have done remarkably well, breaking all of the school records over and over again.

With the loss of one graduating Senior, the team looks for a very successful season next year.



QUALIFIERS IN THE STATE RELAY EVENT—D. Vieau, G. Sowle, D. Wild, G. Johnson.

Superior strength pays off for matmen

VARSITY, Top row- C. Wobig, T. Mainella, D. De Braie, T. Nairn, T. Suschil, Mr. Henske.
Row 2- A. Johnson, B. knackert, D. Zielinski, T. Mitchell, D. Grenier.

Though the Wrestling Team posted a rather unimpressive record this year, the large number of sophomores and freshmen who participated on the varsity level promises a far better season next year. The team suffered from a lack of experience and depth. It finished with a 3-8 record and finished 8 in the Braveland Tournament.

Two outstanding wrestlers this year were Al Johnson, 103 pound class, and Chuck Wobig, team captain, at 133 pounds, both seniors, who went through the regular season undefeated. Al took third place in the Braveland in his weight class, and Chuck was Braveland champion in his class and fifth in the state as Greendale's only representative to the state tournament.

1962 SEASON

Greendale 28	South Milwaukee 23
Greendale 7	Waukesha 34
Greendale 20	West Milwaukee 26
Greendale 18	Oak Creek 30

CHUCK WOBIG—Looks like another victory for the Captain.

J.V. Top row- D. Isherwood, R. Jeffries, B. Gehrmann, K. Flink, D. Fockler, J. Glocksine.
Row 2- G. Weimer, B. Downard, A. Schwabe, F. Wisinski, E. Koelech, J. Jellison.

Top row- Mr. Gilbert, D. Dodson, B. Ringland, C. Mallison, D. Warren, M. Doering, D. Fox, L. Niemczyk, F. Wisinski, A. Jellison.
Row 2- A. Sikorski, M. Schroeder, B. Thoreson, M. Chartier, J. Dude, F. Jaskie, R. Bergner, J. Jellison.

Golf is a game of clubs

Golf is a spring sport which enables young enthusiastis to learn the fundamentals of golf and practice their knowledge in formal play. Boys who are on the Golf Team have usually played before and have an idea of the game. Through this sport they advance their learning and participate in a game they will use frequently after they are out of high school. G.H.S.'s Golf Team, under the coaching of Mr. Gilbert, enjoys the game and has much fun in its participation.

1961 Scores

Menominee Falls	224-Granville	224-Greendale	242
Nicolet	212-Whitnall	232-Greendale	230
Port Washington	261-Brookfield	245-Greendale	244

Row 2- C. Wobig, J. Campon, G. Sowle, M. Schmidt, T. Iverson, D. Zielinski, G. Johnson, T. Silkey.

improvements during track season

UP AND OVER–Gary Sowle sails over the pole.

Higher, faster, farther, and better than ever before! Under the direction of its recently appointed head coach, Mr. Russell, and his assistants, Mr. Danielson and Mr. Fiera, the track team completed another successful season on our newly completed track and field. These new facilities enabled us to have a number of meets at home, which was never before possible. Now our trackmen could prepare for competition on the best facilities in the area. As Apparent from the large number of participants, track is popular with the students of G.H.S.

READY, SET, GO–Claude Transue and Dick Wild.

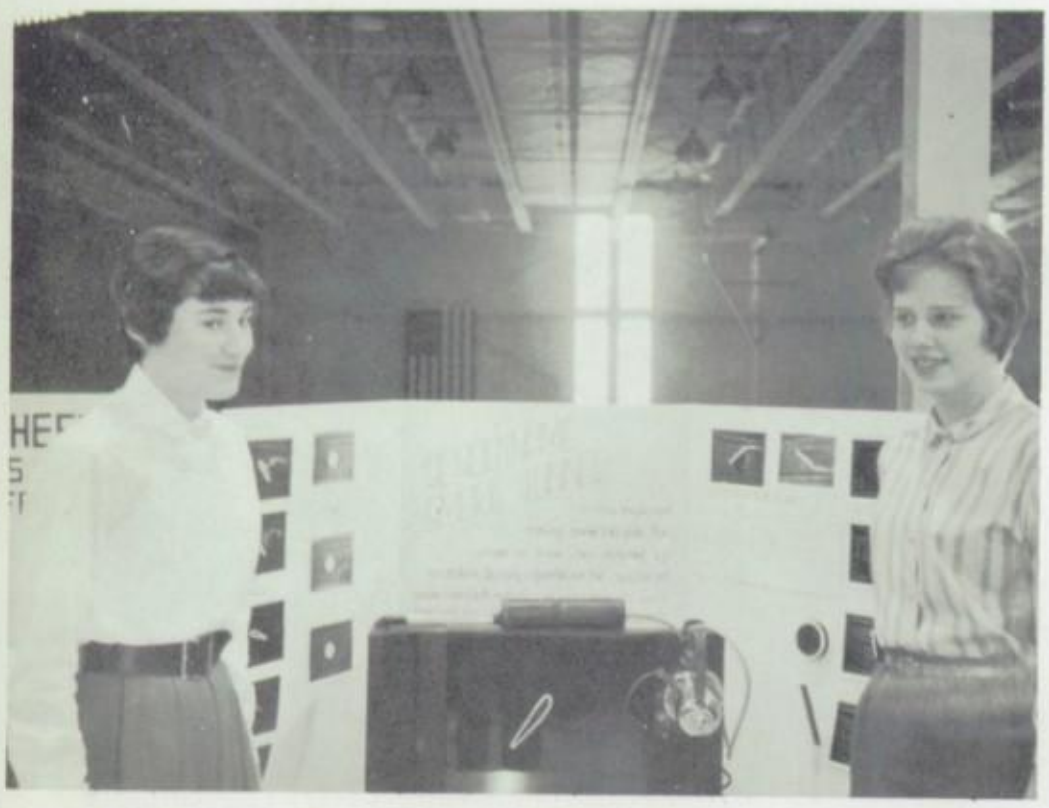
IN CONCLUSION...

On February 13, students were excused from their classes at various times during the day to witness the launching of the United State's first man into space on the television. Here we see a few of the Greendale students watching the historical event proving that "G.H.S. is in Orbit" along with Colonel John Glenn.



Two freshman girls furthered the science research at G.H.S. by submitting their Aerodynamic Smoke Tunnel in the 1962 Science Fair. Here, Linda Fischer and Charlene Bleistein are shown with their project which took first prize in physics and a first in the Science Fair.

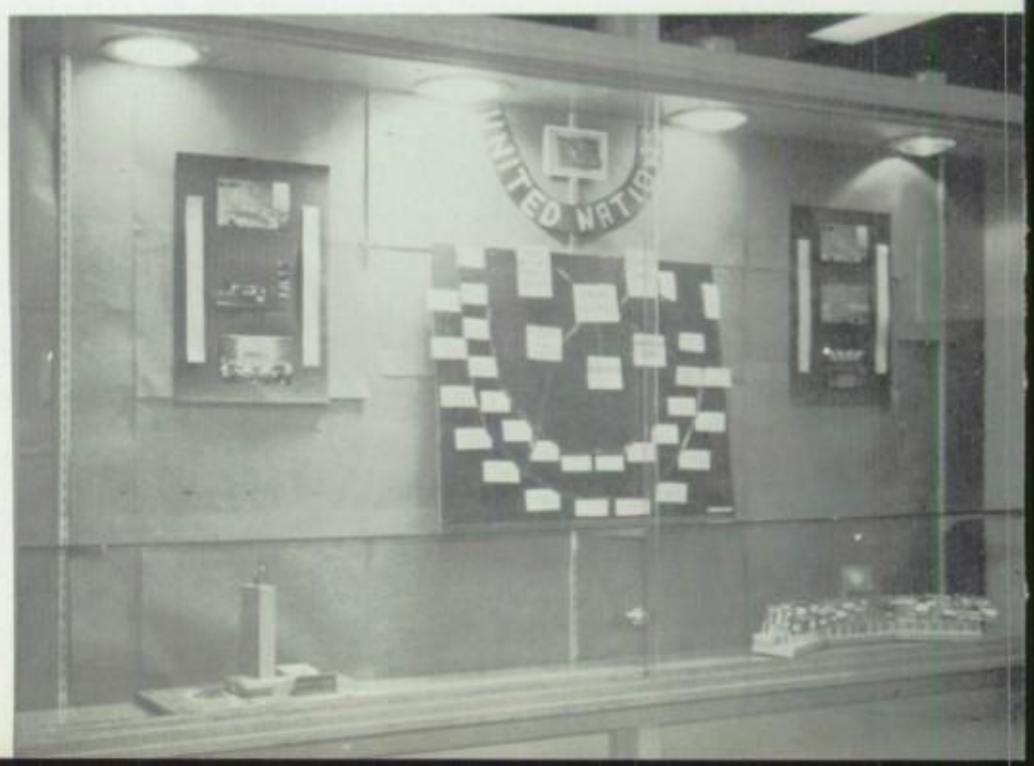
Above—**CONSUELO LOPEZ,** our Foreign Exchange Student from the Philippines, wears one of her native costumes and shows a display case she arranged showing a few of the items she brought to America from her home.

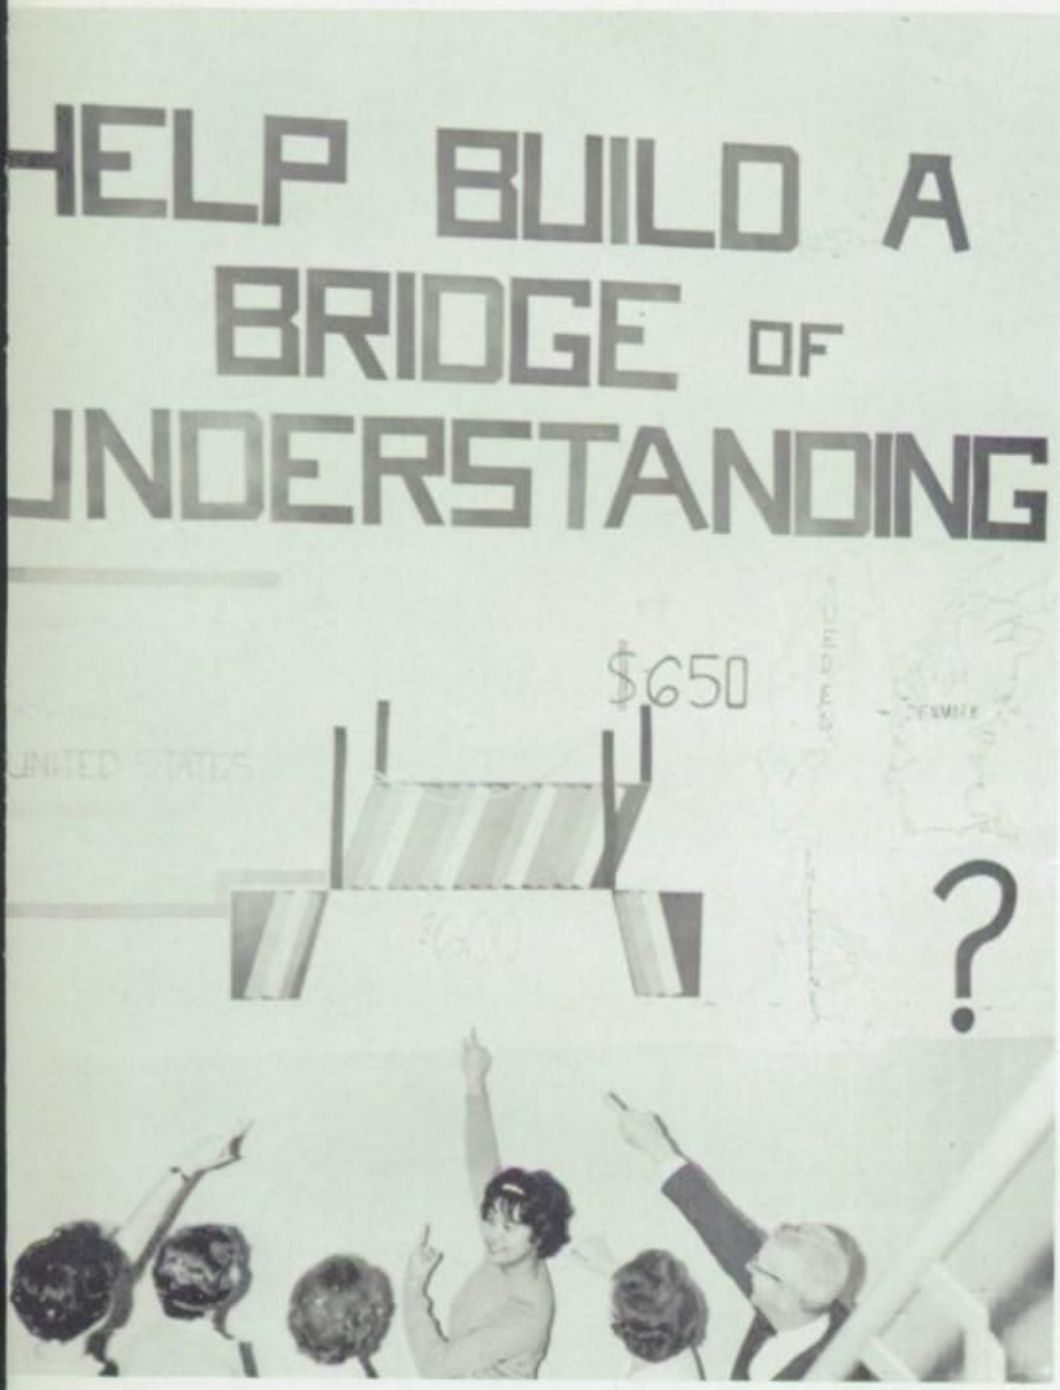
Right—**MANY DISPLAY CASES** added color to the halls from the

Lower Left—**KAREN GALLEGHER,** Barbara Luebke, and John Lee, members of the Civil Air Patrol, illustrated the work of the C.A.P.

Lower Right—**STUDENT IN MR. LEE'S** U. S. History classes prepared a window case for United Nations Day.

Display windows add variety





Student council functions actively

A major committee functioning in the Greendale Student Council for the past four years, is the Foreign Exchange Committee. Here we see the wall display of the progress made during the Dime Drive organized to raise money for a foreign student at G.H.S. during the next school term. This year students contributed freely so that $600 of the needed $650, was raised through the Dime Drive alone. Other activities during the year sponsored by this committee, were the Sno-Ball King elections and the Faculty-All Star Game. Through the efforts of the entire student body, over $1,000 was earned to have a new Foreign Exchange student at Greendale the 1962-63 year.

MEMBERS OF STUDENT COUNCIL attended a convention at Eau Claire to learn more about student councils throughout Wisconsin and how to improve Greendale's own council. The following students, J. Pollock, K. Holm, J. Toman, K. Carlson, and C. Lopez attended this convention with Mr. Watson.

Our Connie performs

CONSUELO LOPEZ, Greendale's third Foreign Exchange student, came to our high school this year from the Philippines bringing with her an outstanding personality, a smiling face, and much talent. "Connie" is shown here performing two of her native dances. Above, Connie is doing a dance alled "Tinikling".

To the left and to the lower right below, Connie does the "Binasuan."

These dances were performed at the half time of the Faculty-All Star Game.

A NEWLY FORMED organization this year was the Chamber Choir, under the direction of Mr. Koehn. This choir, composed of members of the A Cappella Choir with very good voices, sang at special events during the year.

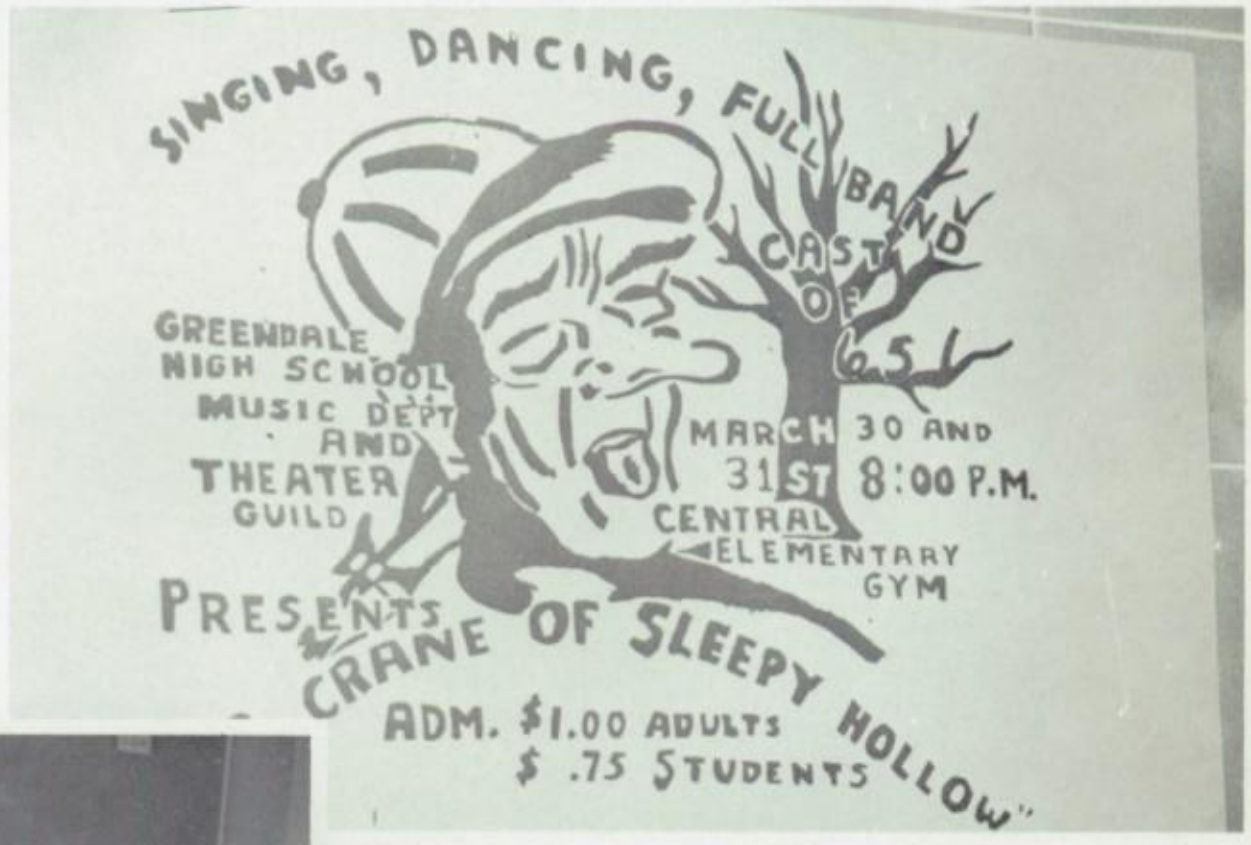
Pictured are, back row, left to right: D. Grenier, J. Davis, J. Keaton, T. Suschil, T. Schultz, F. Ritzman.

Row 2- Mr. Koehn, S. Downard, K. Havnen, M. Hartman, K. Keaton, V. Hale, S. Dolter, V. Nairn.

Row 3- H. Weber, M. Strenke, M. Juneau, N. Lenz, K. Millard, K. Allen.

Additions to music department

"MR CRANE OF SLEEPY HOLLOW" was the title of the first musical given by members of the music department and theater guild under the direction of Mr. Koehn and Miss Sieracki. Here we see one of the posters on display throughout the school, publicizing the musical production.



ANOTHER ADDITION TO THE MUSIC DEPARTMENT, besides the Chamber Choir and the musical, was Mr. Ronald Koehn, the choral director. Mr. Koehn was a welcome addition to the faculty and presented many new and different ideas for music at G.H.S.

OF

COLLEGES AND SECONDARY SCHOOLS

FOUNDED 1895

THIS IS TO CERTIFY THAT THE

GREENDALE HIGH SCHOOL

IS A MEMBER OF THE NORTH CENTRAL ASSOCIATION OF COLLEGES AND SECONDARY SCHOOLS AND THAT THIS SCHOOL HAS BEEN APPROVED CONTINUOUSLY BY THE ASSOCIATION SINCE 19 THIS CERTIFICATE IS VALID AS LONG AS THIS SCHOOL MEETS THE CONDITIONS FOR MEMBERSHIP AND MAINTAINS STANDARDS OF EXCELLENCE AS DEFINED BY THE NORTH CENTRAL ASSOCIATION OF COLLEGES AND SECONDARY SCHOOLS.

WHENEVER A SCHOOL IS DROPPED FROM THE LIST OF APPROVED SECONDARY SCHOOLS, THIS CERTIFICATE BECOMES THE PROPERTY OF THE NORTH CENTRAL ASSOCIATION OF COLLEGES AND SECONDARY SCHOOLS AND MUST BE RETURNED TO ITS SECRETARY.

ISSUED MARCH 29, 19 62

J. Fred Murphy

PRESIDENT

STATE CHAIRMAN

Norman Burns

SECRETARY

REPRODUCTION of the certificate Greendale High School received from the North Central Association.

"G.H.S. is accepted by N.C.A."

As most of the Greendale students will remember, last year during the month of April, we had members of the North Central Association of Colleges and Secondary Schools visit our school and evaluate the facilities, classes, curriculum, and teachers as a part of its program. Previous to their visit, all of the teachers and staff worked extremely hard to present Greendale's education picture. As a result of all this work and planning, Greendale received a certificate in March of this year and is now officially recognized as an accredited and approved member of the association. Mr. Ross commented that accreditation is one more measure of the quality of the school and assures the community that they have a "quality" school.

Mr. Ross explains the importance of being an "accredited" high school to Kathie Allen, Student Council President, Bob Bruett, Senior Class President, and Kathy Keaton, Junior Miss of Wisconsin.

To the Student Body:

This year, the staff of the 1962 **Pioneer Annual** has put "G.H.S. in Orbit" for your enjoyment and to provide a book of unforgettable memories and many happy occasions. To you, this book contains pictures of friends, teachers, classrooms, and activities you have witnessed during your year at Greendale High, whether you are a new freshman, a weary sophomore, an experienced junior, or a graduating senior. To us, it's a feeling of accomplishment and reward finally seeing our hard work in book form for you, the students.

All of you must remember the day we were excused from our classes and crowded around the one television set to watch the United States launch its first man into space. Just as Colonel John Glenn orbited around the world, we have "orbited" throughout G.H.S. to catch every phase of activity from the swimming meets in the pool, the big dances in the multi-purpose room, the rigid tests in the classrooms, to the carefree minutes in the halls. We have spent many hours and put much effort into the compiling and editing of this book for you.

Many men were involved in the launchings at Cape Canaveral, from the doctors who examined John Glenn to the scientists who ignited the "blast off" into space. So, too, many people were involved in the work of arranging this **Annual** and in helping me with my work. I would like to thank the associate editor, Karen Reichl, and the section editors, Dianne, Ken, Mary, Bob, Karen, Diana, Marianne, and Sandy, who gave much of their time and ingenuity in creating this edition and in doing their job. None of the work would have been completed without the able guidance of our advisers, Mr. Lee, in the publications phase, Mr. Heard, the business adviser, Mr. Mortensen with the photography, and our new publisher, the Norman King Company.

We, the 1962 **Pioneer** staff, sincerely hope that you have enjoyed our edition of "G.H.S. in Orbit," and that it has accomplished its purpose in reminding you of all the events that have occurred at Greendale High this year.

Your editor,
Sherry Downard

Introduction
by Jack Parr.

vol. 1. 1. No 1 Charles,

I couldn't help writing in this vast
empty space, but I'm not writing apologies.
This entry in the yearbook is supposedly (do to
tradition) a brief resumé of past experiences shared
by the author and the reader. An attempt to do
this summing up would be impossible and incriminating.
(and also too, etc. Tony Lam wants to jot a few words.
(As a member of the Ole Gang we've had some good
times together, and as you read this 10 years from today)
you can try to remember who the W[illegible]op was; this should
help. I'd better end now on account of Tony is dyeing
to write. He'll sign at the bottom.

Introduction by
Winston Churchill

vol. 1 no. 2

I also couldn't help writing in this vast empty
space so you will remember me ten years from
now, whereas you will forget Oliver Swiddelsky cause
he gave up. We've had such a gay stomp and
parlor that I wouldn't be able to talk all about
it here. I'm sure we'll have a lot more fun and
we'll have to spend many nights this summer
especially some welcome home parties for
Snider.

The really greatest
gradiola what ever lived I am, the greatest
gladiolaphist
ever lived
Jed
Maimill.

"Reserved"
for
My Honey!

Dear Charles,

I'm so glad you remember to reserve me this special page for me. I have so many things & hope to say — & think (?).

During the past two years & know you've hated to face the fact that my name ~~was~~ Kealor and yours was Kowalski when teaches started seating us alphbeticaly. It's been as hard for me to sit in front of you as it has been for ~~you~~ to have me there. Nevertheless, fate put us togther and so it has been.

But, you know there were a few moments I'll never forget. Like the time you lost your pencil down the back of my dress in Algebra. And then to when you tore the physics deck apart. I'll always remember you for these "fun?" times — and others too.

Seriously though, I gotta admit I'll miss your ugly face during first hour and your cheerfulness too.

I know (eventhough others may doubt it) you'll succeed and be happy with some nice, innocent, sweet girl — like me — some day. Really — happiness and please don't forget you good looking, nice, smart and you need a hair cut!

Please don't forget me — today anyway —

Love always
Kathy (Kealor)

To a good old rotten "Moose Lover" the Loves ass & your love and I mean Mike

Jelly fish, To my lifelong buddy who was the only one I would share my Toad stool with in the future Cap "

Chuck, Have fun with Moose this summer. Don't do any thing too bad. I know you will.

"Cat" Fred Brodhagen

Carlyle How you been? I been pretty great myself. Can't wait till after graduation when I retire. How about you. See you in the summer. Dick Rick

Hope to go fishing with you this summer 20 times or so, at about 2:30 A.M.; Ha Ray Ahlgren

Good luck in your future fishing, and may you have many years of happy retirement. Please come visit us sometime. Maybe we can go fishing together. Please call me collect. Bob and Jan Quade

Charlie
Now hear is a cat
that I like because
he likes the finer
things in life. Such
things as suds and things.

Chuck,
hope I don't see
you in twenty years
so I can't laugh at you.
Tony Le Roy

Chuck
Well have to go
out to Sandy Buck and
shoot again sometime
Adios amigo
Chuckie baby,
How ya been?
I can't say it's been
fun 'cause it hasn't,
but the fun's coming hey?
Have fun from here on in,
(Skate "future") but don't be too
tough on the girls. (you not)
Bye now, and Sid be seein'
ya around (if you're lucky)
Jack & staff.
Kathy Hansen

Chuck,
Have fun this
summer and be
good.
